

Call for Participation

FISSEA 26th Annual Conference
"Making Connections in Cybersecurity and Information Security Education"
March 19 - 21, 2013
National Institute of Standards and Technology, Gaithersburg, Maryland

NOW ACCEPTING SUBMISSIONS

FISSEA is seeking presentations for the 2013 Annual Conference. The FISSEA audience includes managers responsible for information systems security training programs in federal agencies, contractors providing awareness and training support, and faculty members of accredited educational institutions who are involved in information security training and education. Join us and share your expertise with a highly motivated professional audience from government, business and academia.

This year's theme, ***"Making Connections in Cybersecurity and Information Security Education"*** was chosen to solicit presentations that reflect current projects, trends and initiatives that provide for future solutions in your security program as well as professional networking opportunities. FISSEA is pleased to accept submissions addressing aspects of cybersecurity and information security including:

- Awareness Programs
- Cost-effective Practices
- Education
- Emerging Technologies
- Governance (Compliance, Standards, Policy)
- Mobile Devices
- Professional Certifications
- Training/Methodologies
- Workforce Development

FISSEA invites proposals for Panel Discussions, Topic Sessions and Government Poster Session. Panel Discussions are 50 minutes in length. Topic Sessions including Q&A are 25 minutes.

The Government Poster Session provides government agencies and organizations the opportunity to showcase their projects. Contractors may support Government Poster Sessions in the capacity of discussing the work provided on a particular project. The Government Poster Session is not a marketing opportunity for private industry and as such, no corporate marketing materials will be permitted.

The Vendor Showcase provides an opportunity for private industry to conduct marketing and outreach activities while at the FISSEA Conference. Companies can share projects, general services, and other company-specific information for the purpose of creating awareness about their capabilities. Vendors should contact the Federal Business Council directly to make arrangements for participation in the FBC-hosted Vendor Showcase. FBC website <https://www.fbcinc.com>. Contact Shannon Grady, 800-878-2940 x225, or Liz Hood 240-841-2227.

The deadline for submissions is December 14, 2012
