

UPTI – GPI Coordination

March 30, 2011

UPTI – GPI Coordination

- GPI and UPTI have
 - Similar objectives
 - Significant areas of information overlap
 - But vastly different scope, actions, and responsibilities
- Coordination of efforts makes sense
- “Enhanced Inspection and Environmental Monitoring Initiatives”

Coordination Guidance

- Good practices related to coordinating the Underground Piping and Tanks Integrity and Ground Water Protection Initiatives
- Covers
 - Description of both Initiatives
 - Comparison of Initiative elements
 - Description of interface
 - Recommendations for efficient implementation

Coordination Workshop

- Draft program
 - Overview of NEI guidelines
 - Overview of EPRI guidelines
 - GPI and UPTI responsibilities
 - Overview of coordination document
 - Plant examples of coordination efforts
 - Comparison of risk ranking methodologies
 - Brainstorming session
- Denver, September
