July 15, 2011

Dear Students and Parents,

I would like to start by thanking you for giving us the opportunity to provide you with a high quality education. We find it an honor and a privilege. DoDEA's vision is "Communities Investing in Success for ALL Students!" Therefore, we will continue to focus on our four strategic goals listed below to accomplish the vision.

### Goal #1

All students will meet or exceed challenging standards in academic content prepared for continuous learning;

### Goal # 2

DoDEA will use performance-driven management systems that operate in a timely, efficient, and equitable manner; place resource allocation and decision-making at the lowest operational level and facilitate a safe environment conducive to optimum student achievement;

### Goal #3

The DoDEA workforce will be motivated, diverse, and committed to continuous professional growth and development resulting in exemplary performance and optimum student achievement; and

### Goal #4

Every level of DoDEA will develop, promote, and maintain partnership and communications to enhance student development.

In order to accomplish our strategic goals, we have made deliberate, purposeful changes to meet the needs of our military families. Listed below is an overview of 2011-2012 curriculum and program updates:

- · Implementation of a new reading assessment in grades K-3 called The Benchmark;
- Development and implementation of a New Teacher Orientation Program; and
- Implementation of the PK-8 Math Curriculum Resource and Materials (i.e., Everyday Mathematics (Pre-K-2); enVision Math (Grades 3-5); and Math Connects (Grades 6-8).

In closing, I would like to reflect on the words of Ms. Marilee Fitzgerald, our Acting Director, "We should continue to keep our focus on maintaining a world-class learning environment, and always ensuring we hold to this basic principle – that the education of the children of our military will not be among the sacrifices our war fighters will have to make for our country."

Again, welcome to the new school year and I look forward to seeing you as I visit your schools.

Samantha J. Ingram, Ph.D.

### South Carolina/Ft. Stewart DDESS Philosophy

The primary objective of the SC/Stewart DDESS District is to provide a high quality program so that each child will become a lifelong learner able to achieve success in a global community. Our schools provide a balanced educational program and opportunities for every student to cultivate his/her capabilities to the fullest extent. Emphasis is placed upon the teaching and learning of basic academic skills in accordance with the Do-DEA Curriculum Standards. Each child is taught to develop the independent thinking skills necessary to gather information from many sources, analyze the information gathered, and arrive at satisfactory solutions to problems.

The child's self-concept is of paramount importance. All staff members strive to help each child gain self confidence and take pride in his/her capabilities and accomplishments, while developing into a special, unique individual. The SC/Stewart/Cuba District upholds and supports the Vision, Mission and Guiding Principles of the DoDEA Community Strategic Plan.

### **ACCREDITATION**

All Laurel Bay Schools are accredited by the NCA CASI/ AdvancED. The school programs, personnel, and facilities are reviewed annually.

### **ACHIEVEMENT TESTING**

Achievement testing at the Laurel Bay Schools is conducted annually to assist staff members in diagnosing and planning for individual student needs as well as developing priority goals for our schools. A measure of reading proficiency. The Benchmark Assessment, System, 2nd Edition, is used with students in grades K-3. At this time, students in grades 3 through 8 take the CTBS TerraNova III Multiple Assessments. Additionally, schools administer local assessments to monitor student progress throughout the school year. Criterion referenced assessments are given to fifth and sixth graders in the spring. In accordance with the requirements of the Department of Defense Education Activity (DODEA), other tests may be scheduled, such as the National Assessment of Educational Progress (NAEP).

### **ART AND MUSIC**

Art and music teachers are provided for our schools. The art program allows for the development of the creative talent and ability of the children, and teaches history and concepts about art. Music teachers provide a sequential program, including basic theory. The music teachers use, among other resources, a program called Music in Education, which helps all children to learn music skills through use of an electronic keyboards. Choral and band groups are provided for interested students at upper grade levels. Members of these groups prepare music to present at special programs and assemblies.

### ATTENDANCE POLICY

Regular attendance is expected of all students. Attendance is a key factor in student achievement. Absence from school tremendously impacts a child's academic success. It is recognized, however, that some absences are unavoidable. Therefore, these expectations are designed to minimize student absenteeism and improve student achievement. Students may temporarily be excused from school if they:

- Are personally ill and attendance in school would endanger their health or the health of others.
- Have an extended/chronic illness certified by a physician (greater than 3 days).
- Have an illness or health-related condition (less than 3 days) not requiring a physician.
- Have a medical or dental appointment.
- Have a death or serious illness of an immediate family member which would reasonably necessitate absence from school. The absence from this situation is limited to a period of 5 days, unless a reasonable cause may be shown for a longer absence.
- Are observing a religious holiday in accordance to their faith.
- Are accompanying a military sponsor on an authorized block leave (example: R & R).
   Parents must furnish leave slip, proof of block leave, or copy of orders to the Principal. Failure to provide proof will cause the absences to be regarded as unexcused.

Have an emergency or unique circumstance, which in the judgment of the Principal constitutes a good and sufficient cause of absence from school. If the Principal believes the absence would be educationally harmful, the Principal need not grant permission and the resulting absence(s) will be regarded as unexcused.

Upon returning to school, the student must bring a written excuse signed by his/her parent or guardian stating the reason for the absence. All excuses shall be dated and brought to the school within 3 days of the student's absence. Failure to do so will cause the resulting absences to be regarded as unexcused. If the reason for the absence does not meet the criteria as described above, the absence will be unexcused.

All absences will be considered as unexcused until a written note has been received. A student who accumulates excessive parent/guardian notes may be required to submit a doctor's note in order to receive excused status. A student must arrive before 11:00 to be considered present. Students who arrive after 11:00 are considered absent. All students must be signed in or out by an authorized person. Any student not properly signed in or out will be considered as an unexcused absence.

If a student is absent for 3 days, a parent notification will be sent to the parent. After a student has more than FIVE (5) days of unexcused absences, the Principal will issue a letter of notice to the parents with a copy of the notice to be sent to the school liaison officer/family liaison officer. Should the unexcused absences continue, the Principal will request in writing a parent conference. Prior to contacting the Unit Commander, the above actions listed must be completed and documented.

After a student has TEN (10) days of unexcused absences, a notice will be sent to the parents along with a copy to the designated Post Commander. Principals will seek support from appropriate military personnel, other agencies and/ or the school liaison officer if the problem continues.

Educational Neglect is knowingly allowing the child to have extended or frequent absences from school, neglecting to enroll a child in school, or preventing the child from attending school for other than iustified reasons.

The district utilizes One Call Now, an automated parent notification service that notifies parents/guardians when students are absent or tardy. If students are not present by 8:45, parents are subject to receive a notification from the automated service.

### **BICYCLE RULES**

A student is never permitted to ride a bicycle on the school grounds because of the possible dangers to self and others. The student must dismount and push the bicycle to the rack in the morning and push it off school grounds before riding it home in the afternoon. All bicycles are to be parked in the designated bicycle rack areas, and are to be locked at all times. According to Air Station Order P5110.1E, students riding bicycles to school are required to wear helmets. Scooters, skateboards, skate shoes, and rollerblades/in-line skates are not permitted.

### **CAFETERIA PROGRAM**

The Laurel Bay Schools participate in the National School Lunch and National School Breakfast Programs sponsored by the United States Department of Agriculture. These programs include the Free and Reduced meal programs for which you may be eligible. If you need more information concerning these programs, please call the Food Service Director at 846-4933 extension 4.

Although a student may normally bring lunch from home, it is a good idea to have a little money deposited in the school meal account for an emergency breakfast and/or lunch, so that the student can always eat a hot meal. Money that is not used can be refunded to you at the end of the school year or carried over to the next school year. Parents are strongly encouraged to pay for meals at 22 least a week at a time. Payment will be accepted

for any amount up to the end of the school year. Food Allergies:

Food Allergies are serious health risks. Please coordinate with the respective school nurse and provide a physician's slip explaining the food allergies (i.e., peanut, lactose, gluten, etc.) your child may have, so that appropriate accommodations can be made.

### **Charging Meals**

Charging meals must be kept to a minimum and used as a last resort only. The following policy will be used for student charges: Money may be added to student accounts each morning between 8:00 -9:30 a.m., Monday through Friday. Applications for free and reduced-price meals can be made during these hours.

(Cash or other payments will not be taken while students are in the line for breakfast or lunch). Checks should be made out to Laurel Bay Schools.

- 1. Students will be allowed to charge meals if they do not have funds to pay for their meals. If you do not want your child to charge meals, you must provide written notification to the cafeteria manager. Children will not be allowed to charge a-la-carte items/ snacks.
- 2. The cashier will send a written notification to parents when the child's account reaches a negative balance. Thereafter, letters are sent home weekly.
- 3. When the amount due exceeds \$20.00, the Food Service Director will mail a Student Bill to the parents.
- 4. When the amount due exceeds \$40.00, the Food Service Director will mail a letter to the parents informing them that command assistance is being sought in collection of the debt which may include payroll deduction. A copy of the letter will be provided to the School Liaison Officer.

In order to help ensure that charges are paid by the end of the school year, students will be encouraged not to charge meals the last two weeks of the school year. Parents are welcome to eat in the school cafeteria but advance notice is appreciated. Please call the school office by 9:00 am to order lunch.

### CHANGE OF ADDRESS/PHONE NUMBERS/EMAIL ADDRESS

It is important that the school be notified of change in home address, changes in quarters, changes of unit organizations, change in email address and all phone numbers in the event of a need to reach the parent in an emergency.

You can phone the school office or send the information in writing to school with your child.

### CHILD ABUSE/NEGLECT POLICY

Our school staff will be vigilant in an effort to protect children from any form of abuse and neglect.

### **CHILD FIND**

Child Find is the ongoing process used by schools and the military Early Developmental Intervention Services (EDIS) to identify children ages 3—21 who are eligible for special education and related services. At the school level Child Find activities include identifying children at risk for failure and providing educational and behavioral interventions as appropriate. In some cases when the interventions are not successful the child may be referred for an evaluation to determine if he or she is in need and eligible for special education and related services.

### **CLASSROOM PARTIES/CELEBRATIONS**

All parties are classroom managed and subject to teacher approval. Please coordinate with the teacher. Commercial products are preferred over home baked. Juice should be served instead of sodas. We discourage celebrations that in any way excludes others (i.e, invitations, flower deliveries, etc.).

### **COUNSELOR**

Our school counselors have adopted a developmental guidance program that includes all students. Counselors teach students on-going skills in three broad instruction areas:

- 1. Understanding self and others
- 2. Becoming life-long learners (educational development) and
- Developing school-to-work skills.

School counselors are available in all of our schools to counsel students and consult with parents and teachers.

### CRISIS MANAGEMENT PLAN

A detailed crisis management plan is in place which delineates the procedures and responsibilities that are necessary to protect students, personnel, facilities, and equipment in the event of a natural or person-caused crisis situation. The care and safety of our students and staff will be paramount during any emergency situation.

### **CURRICULUM STANDARDS**

To create a world-class education system, DoDEA has developed rigorous and demanding curriculum standards. The curriculum standards specify what students should know and be able to do. DoDEA curriculum standards are based on the content standards produced by the National Council of Teachers of Mathematics, the National Council of Teachers of English/The International Reading Association, the National Research Council's National Science Education Standards and the National Council for Teachers of Social Studies. The complete listing of DoDEA Curriculum Standards is in each Principal's office and can be accessed on the Internet at http://www.dodea.edu/parents/parentGuides.cfm

As such, all students are expected to comply with school rules and regulations, and to conduct themselves in a manner that respects the rights of others.

Students, Parents and Guardians shall:

- Comply with all student disciplinary rules, regulations and procedures.

### **Discipline for Minor or First Offenses**

A student may be disciplined for relatively minor or first offenses, through the use of written or oral reprimands or notice to parents, in-school suspensions, alternate in-school temporary placements (formerly referred to as "time out"), teacher/student/parent conferences, suspension of school or extracurricular privileges, and by any other teacher intervention deemed by the teacher or school administrator to be appropriate.

Nothing in this paragraph precludes the imposition of more serious disciplinary actions such as suspension or expulsion, when a student engages in repeated or multiple acts of misconduct which individually might not warrant suspension or expulsion, and/or when the teacher or Principal determined that the nature or offense, in the context of all circumstances, warrants a more severe consequence.

DoD sponsors who wish to home school their dependents are to communicate their desire to their commanders to determine if there are any command policies or other rules ensuring that home schooling practices meet host nation, state, commonwealth, or territory requirements. Sponsors are responsible for complying with applicable local requirements.

Parents wishing to home school their dependents through the local school district should contact the superintendent's secretary in order to obtain an application form to submit for approval. Once the program is approved, parents will work with school district personnel to ensure a quality educational program and compliance with legal requirements.

In this situation, the parents must comply with all applicable registry procedures.

### INCLEMENT WEATHER DISMISSAL PROCEDURES

On days when there is lightning and/or it is raining heavily at the end of the school day, the schools will hold all bike riders and walkers up to one-half hour, or until the storm ceases. Please make it clear to your child if you intend to pick him/her up in case of severe weather. It is important for parents to make prior arrangements with your child about rainy day transportation. At each school, a form is sent home at the beginning of the year or upon enrollment. Every parent should provide instructions for rainy days on the form provided.

### ITEMS NOT ALLOWED IN SCHOOL

Students should **not** bring the following items to school: radios/cassette players, CD players, "boom boxes", IPods, MP3 players, paging devices, cell phones, Bluetooth devices, trading cards, balls, make-up, hair spray, skateboards, scooters, shoe skates, roller blades, matches, lighters, tobacco, alcohol, medicines, cans or bottles of soda, guns, drugs, pets, knives of any kind, box cutters, laser pointers, toys, games/ electronic games, fireworks or valuable items. These items may either be dangerous or disruptive to learning.

### LOST AND FOUND

Many articles of clothing and other personal belongings are turned in to the school office. We suggest that you MARK the inside of your child's clothing, lunch boxes, and backpacks with his/her

name. This will aid in returning items to the proper child. Clothing and other lost belongings will be held to the end of the quarter, at that time all usable unclaimed items will be donated to charity.

### **MAKE UP WORK**

Teachers will permit students to make up work missed during an absence so long as the student or parent/guardian makes appropriate arrangements with the teacher(s) no later than the student's fifth (5<sup>th</sup>) day back at school. The student must complete the make up work within 10 days after his/her return to school unless additional time is approved by the Principal.

### **PARENT TEACHER ORGANIZATION**

The Parent Teacher Organization (PTO) at each school is a vital part of the total school program. This organization provides a vehicle for parents and school officials to work together for student support. We encourage active participation of all parents. During the school year numerous committees and groups will be needed. Officers of the organization will give members the opportunity to volunteer for the different groups and activities. Periodically, parents will be called upon to assist with parties, field trips, etc. These parents lend a tremendous assistance to the entire school program.

The PTO will attempt to present programs which will aid the school in providing quality education to the children. These programs will not be successful without your assistance.

### PARENTAL ISSUES/CONCERNS

Parents with a grievance or concern about their child or school should take that to the teacher of the child. If the parent is not satisfied with the decision or actions of the teacher after the conference, then the parents should meet with the supervising Principal of that teacher. If there is still no acceptable solution, the parents may arrange to meet with the superintendent of schools. In special cases where problems cannot be solved in this manner, parents will be referred

### PARENT/TEACHER COMMUNICATION

Good communication between the home and school provides for a basis of understanding and support that will unite our efforts to help each child's growth and development. School personnel will communicate with parents through a variety of methods, including continuous progress report/report cards, telephone calls, written notes, parent-teacher conferences. home visits, and opportunities for parents to visit the school. Parents of students in grades 4 ~ 8 are encouraged to use GradeSpeed to monitor their child's grades.

### PHYSICAL EDUCATION

In keeping the President's Council on Youth Fitness the Laurel Bay Schools offer a well rounded, diversified PE program taught by certified physical education teachers. Some emphasis will be placed on proper forms of vigorous exercise in an attempt to assure that your child will develop adequate strength, stamina, and endurance. Games and team sports are included in the program. Children are encouraged to strive for improvement, and to work effectively in teams. Good sportsmanship is always emphasized.

### PROMOTION/RETENTION POLICY

The ultimate goal of the Laurel Bay schools is to give students the opportunity to achieve high academic standards of learning therefore, the promotion or retention of students must be considered on an individual basis.

### **Student Promotion after 160th Day**

No student will be officially eligible for promotion or retention until on or after the 160<sup>th</sup> day (20th day of instruction of the 4th quarter). If a student withdraws prior to the 160<sup>th</sup> day, the teacher, in consultation with the Principal, may make a recommendation to the receiving school regarding the student's placement for the next year, but may not take official action on any of the student's records. In making a recommendation or in taking official action regarding promotion/retention, consideration must 29 be given to the total number of absences the

student has accrued during the year, including the days missed due to early withdrawal.

If a student withdraws prior to the 20th day of instruction of the 4th quarter, PCS orders are required. After 20 days of instruction, final grades and promotion can be annotated on the report card.

### RELEASING CHILDREN FROM SCHOOL

Children will be released from school only to their parents or to persons authorized in writing by their parents. The Principal is responsible for verifying the fact that the person claiming to represent the parent is so authorized. Parents or other authorized persons must sign out and pick up children from the school office. Students will not be allowed to wait outside the school to be picked up.

### REPORTING STUDENT PROGRESS

The educational welfare of children is best served when there is complete understanding and cooperation between the home and school.

Grading, reporting, and conferences are used to provide parents and students with information about student progress. Information about student achievement is shared through periodic progress reports, report cards, and individual conferences. In addition, telephone calls and brief notes are utilized.

### **Evaluation Codes (Grades 1—3)**

### E (Exceeds)

The student is successfully working above grade level standards.

### • L (Limited Progress)

The student needs to make significant improvement toward meeting the grade level standards.

### • S (Steady Progress)

The student is working at grade level standards with 70-84% accuracy. This is satisfactory performance.

### M (Meets)

The student is working at grade level with 85—100% accuracy. The student masters grade level standards.

Assessment of student progress will be based on the standards that have been covered for the guarter.

### **Evaluation Codes (Grades 4—8)**

Α	90 - 100%
В	80— 89%
С	70— 79%
D	60— 69%
F	Below 60%

### **SAFETY**

### Safety Rules

All students are instructed on the subject of safety throughout the school. These safety measures are to be observed while in transit to and from school and while in attendance at school.

Military Police are stationed at designated crossings to assist the children. They are on duty from 7:20-8:20 a.m. and 2:30 -3:00 p.m. Everyone is to obey the safety patrol and the Military Police. Teachers or assistants are assigned to playground supervisory duty prior to school opening and after school is dismissed.

PLEASE NOTE: Children will not play in the immediate area of the school buildings or enter school buildings before or after school hours. This includes weekends and during school vacations.

### SCHOOL BUS SERVICES

School bus transportation is an important facet of the educational experience. The school bus is the first and last thing many of our students experience and it shapes how their day begins and ends.

### DDESS School Bus Transportation Eligibility

Policy—Students are eligible for DDESS school bus transportation if they meet the following criteria:

- Student must live on the post
- Student must be an authorized dependent enrolled in a DDFSS school
- Student lives outside the walking distance

Student lives within the commuting radius

Walking Distance: The distance a student may be required to walk between the student's primary residence and the school or designated bus stop should not exceed the state guidelines for the individual state in which the military installation is located.

**Commuting Radius:** A specific geographic area established by the school and military facility for determining eligibility for school bus transportation service to a school. The commuting area is outside the walking area and based on availability of housing and travel time for a bus to the school (should not exceed one hour).

This service is provided in full compliance with local, state and national safety requirements. Contact your school for school bus route information. Special needs students may receive special transportation based on the student's Individual Education Program (IEP).

Students must behave in a responsible and respectful manner. Expected bus behavior is divided into three levels. At each level, the consequences for misbehavior are indicated. All misbehaviors include parental notification.

### **Level I Behaviors**

- Be seated when the bus is moving
- Do not exit the bus once you have boarded
- Always share seats with others
- Speak quietly at all times
- Use only appropriate language
- Do not use language that teases, hurts or harasses others
- Keep the bus clean
- Do not eat or drink without permission
- Do not use cell phones
- Follow driver's directions the first time they are given

### Consequences of Level I Misbehavior

Parental notification and one or more of the following:

- Warning
- In school suspension

### One to three days bus suspension Level II Behaviors

- Keep hands, head and feet inside the bus
- Do not throw any object on the bus or out of the bus
- Do not threaten the safety of others on or off the bus
- Do not vandalize the bus or anyone's personal property

### <u>Consequences of Level II Misbehavior</u> (or continued Level I Misbehavior)

Parental notification and one or more of the following:

- One to five days bus suspension
- One to three days Out of School Suspension

### **Level III Behaviors**

- Possession or use of the following
  - Weapons
  - Matches or lighter
  - Controlled substance including drugs, alcohol and tobacco
  - Threaten or strike the bus driver

### Consequences of Level III Misbehavior (or continued Level II Misbehavior)

Parental notification and one or more of the following:

- Five days or longer bus suspension
- Three to ten days Out of School Suspension
- Tribunal Hearing
- Contact with Military Police or School Resource Officer

It is anticipated that with counseling, parent intervention, and further disciplinary action having been taken, the child would be given the opportunity to start again without being penalized for past offenses. However, if marked improvement is not apparent, expulsion from the bus for the remainder of the school year could be initiated. The school administrators will work closely with parents as they consider the developmental level of the child, as well as any

special needs, problems or concerns particular to the individual child. However, full cooperation from all parents in solving problems will be required.

### Interference with Operation Of School Bus

No person shall willfully and wrongfully interfere with the operation of a school bus by boarding, restricting movement or using threats, either physical or verbal, to the driver or any passenger.

Pupils will ride on assigned buses, board, and debark at their designated stops. Parents must request in writing any exception to this rule. Requests shall be made to the Principal for approval. This includes daily changes. Ex: My child will not ride the bus today.

### CONTINUOUS SCHOOL IMPROVEMENT TEAM

Each school has its own School Improvement Team. The Team consists of teachers, administrators, and parents. It's mission is to continually review and recommend activities necessary for school improvement. The Team writes a yearly School Improvement Plan to address the goals and outcomes of our Department of Defense Education Activity's Community Strategic Plan.

### **SPECIAL EDUCATION**

The Laurel Bay School system provides a free and appropriate education to students with disabilities within its jurisdiction regardless of the nature and severity of the disability. It is the intent of the Laurel Bay Schools to ensure that all students with disabilities are identified, evaluated, and provided appropriate service, beginning at age 3 and continuing through sixth grade. A Case Study Committee (CSC) at each school is in charge of the special education process. Parents are informed when a referral has been made to the committee and at that time become members of the CSC. Parents receive information regarding the process and their rights and responsibilities. Parents must give permission before any assessment may be conducted. Also, parents participate in the CSC decision making regarding eligibility and development of an Individual Education Plan (IEP). 30

### STUDENT HEALTH SERVICES

### School Nurse

The responsibilities of the nurse include the following:

- Assure that each child's immunizations meet the requirement of the State of South Carolina, and a South Carolina Certificate of Immunization is in every cumulative record at the time of registration. DoDEA policy may supersede South Carolina policy.
- 2. Be aware of any medical problem a child may have, and any accommodations that are needed within the school setting.
- 3. Monitor all health records.
- Supervise the screening of each child (according to age-appropriateness) for vision, hearing, height, weight, scoliosis, and refer those needing further examination through the parent to the proper department at the Beaufort Naval Hospital (BNH).
- 5. Maintain adequately equipped first aid supplies.
- Render emergency care as necessary within the limits of ability.
- Assist with health and wellness instruction for students. Develop and implement a K-8 Family Living curriculum.
- 8. Follow up on medical referrals.

### **HEALTH CARE GUIDELINES:**

All students' health cards must contain parents' home and work addresses and phone numbers, as well as two emergency contacts. The cards should be updated as changes occur, so that the information is always accurate in the event of an emergency. Health care at Laurel Bay Schools will be provided by the School Nurse, or an appropriate substitute. The nurse will be trained in basic first aid and will be CPR certified. Emergency Medical Services (EMS) may be called with the authority of an administrator or the nurse. Routine health care cannot be administered, since we are not a health care facility. Parents will be notified about all head injuries even if minor.

Non-prescription medications/treatments may not be administered to students without written consent

from parent and physician. Treatment may be administered as follows:

- Ice to scrapes, abrasions, or bruises which occurred at school.
- 2. Water flush of eyes.

All temperatures 100F or above require parent notification, and the student will be sent home with their parent(s). Students should remain at home for 24 hours after the temperature returns to normal without the use of fever reducing medication. Students should not attend school if either of the following symptoms are present: fever 100F or above, or vomiting/diarrhea.

Head lice are extremely contagious. Students having evidence of head lice will be sent home by the school nurse. They may not return to school until all lice bugs and eggs have been removed and the student is cleared by the school nurse. Contact your school nurse for more detailed instructions.

### **Medication Administration Policy**

If your child is placed on medication which must be given during school hours, Laurel Bay Schools require written permission from the physician and the parent to allow school personnel to administer it. Parent/Physician permission forms are available at any school office, or from the school nurse. Physician's signature is required for all medications.

In order for <u>ANY</u> medication to be administered at school a parent/guardian must:

- 1. Assure that the school administration/nurse is aware of any unusual health conditions your child may have (i.e.: allergies, asthma, diabetes, etc.)
- For prescription medications: Ensure that the pharmacist labels 2 containers - one for home use and one for school use if the child is to receive the medication at both sites.
- 3. Non-prescription medications such as Tylenol, Motrin, cough medicines, or ointments such as Vaseline or Vapor Rub will not be administered unless prescribed by a physician.
- Parents must deliver all medication to the school: DO NOT send medication to school with

- your child for any reason.
- Provide new containers with pharmacy label or original package label when medication changes are made.
- Remove medications from school premises within one week of the date they are discontinued by the physician or on the student's last day of school, whichever comes first.
- 7. Any medication not removed by the parent within the specified time period will be promptly discarded.
- 8. Medications will not be sent home with students.

It is against school policy for students to have <u>any</u> medication in their possession at school. This includes non-prescription drugs such as Tylenol and aspirin. The only exceptions to the prescription medication policy are for those with severe asthma, or allergy to bee sting. This medication may be maintained in the student's backpack or desk in the classroom for self-administration or administered by the teacher with a written recommendation from a physician and approved by the school nurse.

### STUDENT RIGHTS AND RESPONSIBILITIES

Students have certain rights to which they are entitled as citizens of the United States of America. They also have certain responsibilities as citizens and as students to help ensure that the rights of everyone, including themselves, are protected.

### All students have the right to:

- Equal educational opportunity without interference.
- Be informed of the behavior expected in the school, classrooms, and buses.
- Be informed about school academic requirements, and to be advised of their progress.
- Learn in a safe, healthy and orderly environment.

31

- Express their opinions, as long as they maintain dignity and respect for others.
- Be treated fairly and to be heard when being faced with disciplinary action.
- Be safe and protected and to have their property safe and protected.
- Be treated fairly and with kindness, to be free from discrimination, and to be respected as individuals.

### All students have the responsibility for:

- Attending school to receive an education.
- Attending school daily and on time unless ill or legally excused.
- Respecting all others as individuals and treating them fairly, with kindness, and without discrimination.
- Attending school prepared with all necessary materials.
- Following school rules and the instructions of school personnel.
- Completing all assignments on time.
- Respecting and protecting public property and the property of others.
- Helping to keep the school an orderly, healthy, and safe place to learn.
- Making sure correspondence from the school to the parents reaches home.

### **TARDINESS**

Punctuality is a key factor in student achievement. It is important that students are on time to maximize their opportunity for success and educational growth. It is the responsibility of the parents/ guardians to make certain their children arrive at school on time. All late students must go to the office to sign in, give a reason for their tardiness and get a pass to class.

The Principal may excuse tardiness for valid reasons, such as documented medical or dental appointments. Tardiness will rarely be excused for reasons other than documented medical

appointments. Principals will consult with the parents of students who have excessive tardiness to implement a plan for remedy. This includes students who excessively arrive late and/or leave early. This plan may include disciplinary action for the student if necessary.

If a student is absent for 3 days, a parent notification will be sent to the parent. After a student has more than FIVE (5) days of unexcused absences, the Principal will issue a letter of notice to the parents with a copy of the notice to be sent to the school liaison officer/family liaison officer. Should the unexcused absences continue, the Principal will request in writing a parent conference. Prior to contacting the Unit Commander, the above actions listed must be complete and documented.

After a student has TEN (10) days unexcused absences, a notice will be sent to the parents along with a copy to the designated Post Commander. Principals will seek support from appropriate military personnel, other agencies and/or the school liaison officer if the problem continues.

### **TECHNOLOGY**

Technology is integrated into all areas of the curriculum through the use of a wide variety of software and hardware components. Students receive instruction leading to mastery of the DoDEA Technology Standards. All classrooms have computers for student use, and all schools have two computer labs. The technology curriculum in each school is implemented and monitored through the school's Educational Technologist. Computer Specialists at the district office level support the educational efforts of the schools.

Every student has access to the Internet and electronic mail systems. Each student is assigned a login ID. In order to maintain this access, students must sign and comply with the "Student Computer and Internet

Access Agreement."

The web sites for the Laurel Bay Schools are:

Elliott: http://www.am.dodea.edu/Elliott/

Galer: http://www.am.dodea.edu/Galer/

There are links at the web sites allowing for contact to all Principals as well as other information regarding the schools.

### TRANSFERS AND WITHDRAWALS

At least five school days notice is needed in order to have reports ready for children who transfer. Please inform the office of your departure by telephone, letter, or in person rather than sending a verbal message by your child. Permanent records will be sent to the receiving school upon request. A copy of the permanent record is also released to the parent for hand carrying to the next school. Early withdrawal date for PCS move is 20 days prior to the end of the 4th quarter. Orders are required.

### **VISITORS**

Parents are welcome to visit their children's classes. For the safety and protection of our children, all parents and visitors are REQUIRED to first sign in at the office, whether visiting a classroom, delivering articles and messages to children, or reporting as a volunteer.

As a courtesy to the teacher, it is suggested that notification be made for all visitations. Contacting the teacher by note or telephone is recommended. If it is not possible to contact the teacher before or after school hours, please contact the office by telephone or write a note to arrange for a visit.

Classroom instructional time is very important

for all of our students. For this reason, teacherparent conferences need to be scheduled at a mutually convenient time.

### **VOLUNTEERS**

An active group of parent and community volunteers is needed in each school to assist students and teachers with various activities. Please contact the Principal, Assistant Principal, or PTO president if you wish to volunteer your services to the school. Background checks are required and applications are available at each campus.

### **WALKERS/CAR RIDERS**

The safety of walkers is of great concern. Please discuss with your child the importance of walking on the sidewalk and respecting the property of residents in the community. When your child walks to school, please advise him/her of safety rules for walking.

The schools will follow command order in regards to minimum supervisory requirements for children walking and/or riding bikes to and from school. PreK and Kindergarten students (4 and 5 year olds) "Parents must provide auditory and sight supervision or child must be accompanied by a child 10 year old or older."

Parents who deliver and pick up children should follow the rules as prescribed by the building Principal.
