

**ACMUI TELECONFERENCE AGENDA**  
**Thursday, January 22, 2009**  
**1:00 PM – 3:00 PM (EST)**

**OPEN SESSION**

Discussions will include:

**1:00 – 1:20 pm**

1. NRC staff briefing on recent meeting with international regulators on the issue of medical isotope shortages

**1:20 – 3:00 pm**

2. ACMUI subcommittee recommendation for Authorized User status delay for American Board of Radiology candidates.

The ACMUI will discuss a subcommittee recommendation for individuals to achieve Authorized User status via a board certification pathway when a gap exists between the completion of training and experience and issuance of the board certificate.
