

ACMUI TELECONFERENCE

JUNE 28, 2005

Room O-07B2

1:00-3:00 p.m.

AGENDA

Update to Medical Event Criteria Definition

The ACMUI will forward to staff its recommendations for creating new language to define medical events involving permanent implant brachytherapy. The ACMUI's recommendations will be presented to staff in the form of principles the staff may use as guidance while drafting the new language. The ACMUI will also forward to the staff its recommendations on any risks associated with the new definition.
