FORT CAMPBELL SCHOOLS
FORT CAMPBELL, KENTUCKY 42223-5127

4th and 5th Grade Student Recorders

Dear Parents,

This year we are asking all parents to provide a music recorder for their 4th and 5th grade students. The cost is approximately \$5.00 and it can be purchased at the PX. Please read carefully below. Your school music teachers will need every student in these grade levels to have this approved music instrument for 100% participation in music class.

The instrument you will be supplying is a **Yamaha YRS24B item # 400295** which was carefully selected by your child's teacher. We have arranged to make this particular recorder available for you to purchase through the PX to assure availability, quality and price. This is not the same recorder available at toy stores and most discount stores, therefore substitutions are not recommended.

To avoid accidentally mixing recorders among players, please clearly mark your child's name on the case and recorder with a permanent marker.

If this fee causes a hardship for your family, please indicate this by returning the completed form below to your music teacher. A "loaner" instrument will be kept in the music room for your child to borrow during music class. These "loaner" recorders will be sanitized between users.

Thank you for your understanding and support in helping our music program be a success!

Principal

.....
Please separate and keep the upper portion.

Student name _____ **School** _____
(please print first and last name)

**My child and I need assistance in providing a musical recorder due to the cost.
As an option, please allow my child to borrow a recorder that belongs to the school. I understand this could be a used recorder that has been sanitized.**
