

Acquisition of Morgan Electro Ceramics Limited of the United Kingdom

Effective immediately, **Morgan Technical Ceramics Limited (MTC)** has acquired **Morgan Electro Ceramics Limited (MEC)**. As a result of the acquisition, MEC will be known as MTC. Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

As a result of the subject acquisition, DDTC has determine that all currently approved DSP authorizations identifying **MEC** will require an unshipped balance license to reflect the name change. A copy of this website notice be part of the submission package.

Pending authorizations received by DDTC identifying MEC as a party to the license must be brought to the attention of the assigned Licensing Officer by the license holder. The Licensing Officer will review the application for potential return without action so the necessary changed can be made prior to resubmission.

New license application received after **March 12, 2012**, identifying MEC as **a party** to the license will be considered for returned without action for correction to the new name.

All currently approved agreements will require an amendment to be executed to reflect the name change. The agreement holder will be responsible for amending there agreements. The executed amendments will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications identifying MEC will be adjudicated without prejudice. With the filing of the executed agreement, the agreement holder must attach a copy of this web notice as explanation for the address change in the executed agreement.
