Rocky Mountain Area Incident Commander and Incident Commander Trainee Application Supplemental Questions

Due Date 9-30-2012

(Each applicant should address these questions with no more than a total of two pages, and attach to their application)

1. What strategies would you use to recruit and develop a diverse team, reduce dependency on AD positions when possible, foster trainees, and increase the agency applicant pool for the future?
2. Describe your experience related to the full use of available strategies under the current Federal Wildland Fire Management Policy.
3. Describe why you want to be an IC and how it fits into your short and long term goals for yourself.
4. Describe your experience related to working with Agency Administrators, line managers, resource specialists and the public.
5. What experiences and attributes do you have that would make you a great IC given the challenges in today's working environment?
6. There are studies in progress concerning the future structure and missions of IMTs. Describe your vision of what a future IMT should look like and how it should function.
