\*Low precision; no estimate reported.

NOTE: Household participation in one or more government assistance programs during the prior calendar year is defined as one or more family members receiving Supplemental Security Income (SSI), food stamps, cash, or noncash assistance. SSI provides payments to low-income, aged, blind, and disabled persons. Food stamps are government-issued coupons used to purchase food. Cash assistance refers to receiving cash due to low income, such as Temporary Assistance for Needy Families (TANF), welfare, or public assistance. Noncash assistance refers to receiving assistance due to low income, such as help getting a job, placement in an education or job training program, or help with transportation, child care, or housing.

<sup>a</sup>Difference between estimate and 2003 estimate is statistically significant at the 0.05 level.

<sup>b</sup>Difference between estimate and 2003 estimate is statistically significant at the 0.01 level.

<sup>1</sup> Any Illicit Drug includes marijuana/hashish, cocaine (including crack), heroin, hallucinogens, inhalants, or any prescription-type psychotherapeutic used nonmedically. Any Illicit Drug Other Than Marijuana includes cocaine (including crack), heroin, hallucinogens, inhalants, or any prescription-type psychotherapeutic used nonmedically.
