

**IN HONOR OF HEARTS
JUMP ROPE FOR HEART**

The time has come to dedicate hearts either, “In memory of or in honor of” to someone special in your life. Our goal is to fill up the entire JRFH board outside the cafeteria with hearts! How awesome would it be to see the board full of hearts representing the people in our lives that are special to us?

Starting TODAY we will start selling the hearts in the gym during class. There is no limit to how many hearts you can buy to dedicate. A single heart is 25 cents and a sheet of 6 hearts is a dollar! All proceeds goes directly to the American Heart Association. Students who buy 6 or more hearts will be able to pick from either stickers or pencils.

After purchasing your hearts you will be able to take them home and decorate them. Please bring your hearts to school the next day decorated and individually cut out ready to be put on the board for all to see!
