Re: WT Docket No. 11-65: Response of MetroPCS Communications, Inc.  
to Information and Discovery Request for Third Parties

Dear Ms. Dortch:

On July 8, 2011, MetroPCS Communications, Inc. ("MetroPCS") submitted its Highly Confidential responses to Items 7 and 8 of the Information and Discovery Request for Third Parties ("Data Requests") issued by the Commission to MetroPCS on June 6, 2011, as amended by letter dated June 27, 2011 on a disk identified by identification number MPCS-00000308. Because of the Highly Confidential nature of the responses,<sup>1</sup> the disk containing Highly Confidential information was password protected and marked "Additional Copying Prohibited."

It has come to our attention that certain of the individual files on the disk require an additional (and different) password for access. Accordingly, we submit this letter to advise the Commission that, as previously stated, the password to access the Highly Confidential disk is [BEGIN HIGHLY CONFIDENTIAL] [REDACTED] [END HIGHLY CONFIDENTIAL]. To the extent that individual files on the disk call for an additional password, that password is [BEGIN HIGHLY CONFIDENTIAL] [REDACTED] [END HIGHLY CONFIDENTIAL].

Two redacted public versions of this letter are being filed at the Commission Secretary's Office concurrently herewith. Pursuant to the Revised Second Protective Order, MetroPCS is also transmitting two copies of this Highly Confidential letter and two copies of the redacted version of this letter by hand delivery to Ms. Kathy Harris at the Mobility Division of the Commission's Wireless Telecommunications Bureau. A copy of the redacted public version is also being filed electronically through the Commission's Electronic Comment Filing System.

<sup>1</sup> These responses were deemed to be Highly Confidential by the Commission in Appendix A to its Second Protective Order (Revised) issued in the above-referenced docket on June 22, 2011. *Applications of AT&T Inc. and Deutsche Telekom AG For Consent To Assign or Transfer Control of Licenses and Authorizations*, WT Docket No. 11-65, Second Protective Order (Revised) DA 11-753 (rel. June 22, 2011) ("Revised Second Protective Order").
