Text and Pics Messaging

Send a quick hello by text or capture the moment with your picture messaging-capable phone -- all without using your minutes. You can even send and receive video messages!

| | |
|-------------------------|---------------|
| Per Message | \$0.20 each |
| 300 Messages | \$4.99/month |
| 1,000 Shared Messages * | \$9.99/month |
| 2,000 Shared Messages * | \$14.99/month |

Text to Landline destinations too. Address your text to landline destinations and have your messages delivered by voice. \$0.20 premium per message. You will receive an opt-in message when you send your first landline message.

People that answer the Text to Landline call can reply to the message by recording a voice message. When you have a reply you will receive a text message alert. You can listen to the voice reply by calling the phone number included in the reply text message. To listen to the voice reply, simply callback the phone number in the message. Standard airtime rates apply.

Unlimited Text and Pics

With unlimited text and pics, you'll never miss another photo op. All our messaging and data options are available at one price, with no limits.
