Re: Notice of Ex Parte Communication, Applications of AT&T Inc. and Deutsche Telekom AG  
for Consent to Assign or Transfer Control of Licenses and Authorizations - WT Docket No.  
11-65

Dear Ms. Dortch:

This letter provides notice of an ex parte oral communication with staff of the Commission in connection with the above-referenced proceedings. I represent an entity unaffiliated with the merging parties that has not previously participated in these proceedings and that is interested in the online distribution channel for wireless service and handsets (the "Channel").

On September 6, 2011, I had a short telephone conversation with Renata Hesse, Senior Counsel to the Chairman, and Jim Bird, Senior Counsel, Office of the General Counsel, to inquire into whether the Commission staff was interested in scheduling a meeting to discuss the impact that the proposed merger could have on the Channel.

Please contact me if you have any questions. Thank you for your assistance.

Sincerely,

/s/

Steven G. Bradbury
