FROM: Colien Hefferan  
Administrator *Colien Hefferan*

SUBJECT: Distribution of the McIntire-Stennis Cooperative Forestry  
Act Funds for Fiscal Year (FY) 2007

Included in this e-mail transmission is a copy of the CSREES-OD-1088-D, Distribution of McIntire-Stennis Funds for FY 2007. The distribution identifies funds for the Small Business Innovation Research Program, reflecting the requirement that not less than 2.50 percent of the funds be set aside for that purpose in FY 2007, and a set aside for biotechnology risk assessment.

A Planning & Reporting page has been established on our website to assist you in locating the requirements, due dates, and submission information for the McIntire-Stennis Research Program Formula funds and all other Formula funds. The research and extension formulas are organized in groups for the three land-grant types: 1862 land-grant institutions, 1862 land-grant institutions in the U.S. territories, and 1890 land-grant institutions. Since funding continues to be contingent upon meeting planning and reporting requirements, you may want to have your administrative staff bookmark the following web link for easy access to fillable forms and due dates for all formula funds:

Additionally, we will continue to email you regarding important information regarding all of the formula funds you receive. This information is released in "Formula Funds Bulletins," which are maintained at our "Formula Funds News Updates" web page:
