

Welcome to Burrows Elementary School!

Mrs. Susan Ransom, Principal

You are going to love this school! We look forward to an excellent school year focusing on academic achievement and personal growth. Our professional staff comes from a variety of backgrounds and experience with military families. School policies have been designed to provide the best possible learning environment. The combination of fully qualified educators, a strong DoDEA curriculum and our policies and procedures has enabled us to gain and maintain full accreditation from AdvancED.

Students: We are so glad that you are here! We offer each of you many great educational opportunities and fun events. We hope that you will become actively involved in our school's activities and special programs. You will soon find that there is much to do here. Your teachers will get to know you quickly and will help you to be happy and successful at BES.

Parents: We believe that this is a community school. Your input is essential for our continued growth. My door is open to you any time you want to ask a question or raise a concern. We invite you to spend time with us so that you get to know the school. We encourage you to come in and lend a helping hand. Join the Parent Educators Association (PEA), attend School Improvement Committee meetings, or just drop by the school to see how you can get involved. By working together, we can continue to make Burrows Elementary School a great place for students and parents.

Susan Ransom, Principal
