Executive Summary

Introduction	3
Bycatch Data Quality	4
Designation of Key Stocks	7
Performance Measures	7
National and Regional Bycatch Summaries	8
Stock Bycatch Estimates	14
Looking Ahead: Improving Bycatch Data Collection and Estimation	20
Conclusions	22
Regional Bycatch Fact Sheets	23
Northeast Region	24
Southeast Region.....	26
Alaska Region	29
Northwest Region.....	31
Southwest Region	34
Pacific Islands Region.....	37

1 Introduction

1.1 Overview	43
1.2 U.S. Laws and Regulations to Address Bycatch	43
1.3 The U.S. Bycatch Strategy	44
1.4 Definition of Bycatch	44

2 Data Sources for Estimating Bycatch

2.1 Overview	49
2.2 Fishery Observer Programs	49
2.3 Marine Mammal Data-Collection Programs	50
2.4 Logbooks	50
2.5 Production and Dealer Reports	52
2.6 Port Sampling and Dockside Monitoring	52
2.7 Vessel Monitoring Systems	52

3 U.S. National Bycatch Report Methods

3.1 Overview	55
3.2 Tier Classification System	56
3.2.1 Criteria and Scores for Tier Classification System	56
3.2.2 General Description of Tiers	61
3.2.3 Application of the Tier Classification System	62
3.3 Identification of Key Stocks	65
3.3.1 Evaluation of Stock Bycatch Level and Stock Bycatch Ratio	65
3.3.2 Evaluation of Management Importance	67
3.3.3 Evaluation of Stock or Population Status	67
3.3.4 Qualitative Evaluation of Key Stocks	68
3.4 Identifying Fisheries of Focus	69
3.4.1 Qualitative Evaluation of Fisheries of Focus	69
3.4.2 Fishery Bycatch Estimation Improvement Plans	69

4 Regional Fisheries Characteristics

4.1 Northeast Region	77
4.1.1 Fisheries Overview	77
4.1.2 Addressing Regional Bycatch Concerns	85
4.1.3 Data Sources	87
4.1.3.1 Observer Program Data	87
4.1.3.2 Mandatory Self-Reported Data	87
4.1.4 Bycatch Estimation Methods	90
4.1.4.1 Fish bycatch Estimation Methods for Federally Managed Commercial Fisheries	90
4.1.4.2 Caveats for Fish Bycatch Estimation	92
4.1.4.3 Marine Mammal Bycatch Estimation Methods for Federally Managed Commercial Fisheries	93
4.1.4.3.1 Marine Mammal Bycatch Estimation Methods for Federally Managed Gillnet Commercial Fisheries	93
4.1.4.3.2 Marine Mammal Bycatch Estimation Methods for Federally Managed Trawl Commercial Fisheries	94
4.1.4.4 Sea Turtle Bycatch Estimation Methods for all Federally Managed Commercial Fisheries	94
4.1.4.4.1 Mid-Atlantic Region: Sea Turtle Bycatch Estimation Method for Federally Managed Gillnet Commercial Fisheries	95
4.1.4.4.2 Mid-Atlantic Region: Sea Turtle Bycatch Estimation Methods for Federally Managed Scallop Dredge Commercial Fisheries	95
4.1.4.4.3 Mid-Atlantic Region: Sea Turtle Bycatch Estimation Methods for Federally Managed Trawl Commercial Fisheries	95
4.1.4.5 Seabird Bycatch Estimation Methods for Federally Managed Commercial Fisheries	95
4.1.5 Tier Classification for Northeast Region Fisheries	95
4.1.6 Northeast Regional Key Stocks	100
4.1.7 Northeast Region Bycatch Estimates	104
4.1.7.1 Fish Bycatch Estimates	104
4.1.7.2 Protected Species Bycatch Estimates	104
4.1.8 Fishery Bycatch Estimate Improvement Plans	104
4.1.8.1 Bycatch Estimation Improvement Plans for Northeast Fisheries of Focus—Fish	105
4.1.8.2 Bycatch Estimation Improvement Plans for Northeast Fisheries of Focus—Protected Species	110
4.1.8.3 Bycatch Estimation Improvement Plans for U.S. National Bycatch Report Fisheries of Focus—Fish and Protected Species	113
4.1.8.4 Summary of Northeast Region Recommendations	114
4.1.8.5 Improvements Expected from Implementation of Recommendations	115
Appendix 4.1 Northeast Region Bycatch Estimates	116
4.2 Southeast Region	143
4.2.1 Fisheries Overview	143
4.2.2 Addressing Regional Bycatch Concerns	148
4.2.3 Data Sources	152
4.2.3.1 Observer Programs	152
4.2.3.2 Logbooks	155
4.2.4 Southeast Region Bycatch Estimation Methods	155
4.2.4.1 Fish Discard Estimation Methods	156
4.2.4.1.1 Atlantic and Gulf of Mexico Shark Bottom Longline Fishery	156
4.2.4.1.2 Southeast Large Coastal and Small Coastal Shark Aggregates (Drift, Strike, and Bottom Gillnet)	156
4.2.4.1.3 Gulf of Mexico Shrimp Trawl Fishery	156
4.2.4.1.4 Atlantic and Gulf of Mexico HMS Pelagic Longline Fishery	156
4.2.4.1.5 Gulf of Mexico Reef Fish Bottom Longline Fishery	158
4.2.4.1.6 Gulf of Mexico Reef Fish Handline Fishery	158

4.2.4.1.7	South Atlantic Snapper–Grouper Handline Fishery	159
4.2.4.1.8	Gulf of Mexico Coastal Migratory Pelagic Troll Fishery	160
4.2.4.1.9	South Atlantic Coastal Migratory Pelagic Troll Fishery (includes Atlantic Dolphin Wahoo Fishery)	160
4.2.4.1.10	Southeastern Atlantic Shrimp Trawl Fishery	160
4.2.4.1.11	Fish Discard Estimation Methods for the North Carolina Inshore (Bays and Rivers) Gillnet Fishery	160
4.2.4.2	Marine Mammal Bycatch Estimation Methods	160
4.2.4.2.1	Atlantic and Gulf of Mexico Shark Bottom Longline Fishery	160
4.2.4.2.2	Large Coastal and Small Coastal Shark Aggregates (Drift, Strike, and Bottom Gillnet)	160
4.2.4.2.3	Gulf of Mexico Shrimp Trawl Fishery	161
4.2.4.2.4	Atlantic and Gulf of Mexico HMS Pelagic Longline Fishery	161
4.2.4.2.5	Gulf of Mexico Reef Fish Bottom Longline Fishery	161
4.2.4.2.6	Gulf of Mexico Reef Fish Handline Fishery	161
4.2.4.2.7	South Atlantic Snapper–Grouper Handline Fishery	161
4.2.4.2.8	Gulf of Mexico Coastal Migratory Pelagic Troll Fishery	161
4.2.4.2.9	South Atlantic Coastal Migratory Pelagic Troll Fishery (includes Atlantic Dolphin Wahoo Fishery)	161
4.2.4.2.10	Southeastern Atlantic Shrimp Trawl Fishery	161
4.2.4.2.11	North Carolina Inshore (Bays and Rivers) Gillnet Fishery	161
4.2.4.3	Other Protected Species Bycatch Estimation Methods	161
4.2.4.3.1	Atlantic and Gulf of Mexico Shark Bottom Longline Fishery	163
4.2.4.3.2	Large Coastal and Small Coastal Shark Aggregates (Drift, Strike, and Bottom Gillnet)	163
4.2.4.3.3	Gulf of Mexico Shrimp Trawl Fishery	163
4.2.4.3.4	Atlantic and Gulf of Mexico HMS Pelagic Longline Fishery	163
4.2.4.3.5	Gulf of Mexico Reef Fish Bottom Longline Fishery	163
4.2.4.3.6	Gulf of Mexico Reef Fish Handline Fishery	163
4.2.4.3.7	South Atlantic Snapper–Grouper Handline Fishery	164
4.2.4.3.8	Gulf of Mexico Coastal Migratory Pelagic Troll Fishery	164
4.2.4.3.9	South Atlantic Coastal Migratory Pelagic Troll Fishery (includes Atlantic Dolphin Wahoo Fishery)	165
4.2.4.3.10	Southeastern Atlantic Shrimp Trawl Fishery	165
4.2.4.3.11	North Carolina Inshore (Bays and Rivers) Gillnet Fishery	165
4.2.4.3.12	North Carolina Southern Flounder Pound Net Fishery	165
4.2.5	Tier Classification for Southeast Region Fisheries	165
4.2.6	Southeast Region Key Stocks	168
4.2.7	Southeast Region Bycatch Estimates	173
4.2.8	Bycatch Estimate Improvement Plans for Fisheries of Focus	173
4.2.8.1	Bycatch estimation improvement plans	173
4.2.8.2	Cost and Feasibility Summary of Southeast Region Recommendations	178
Appendix 4.2	Southeast Region Bycatch Estimates	180
4.3	Alaska Region	207
4.3.1	Fisheries Overview	207
4.3.2	Addressing Regional Bycatch Concerns	214
4.3.3	Data Sources	216
4.3.3.1	Observer Programs	216
4.3.3.2	Logbooks	218
4.3.3.3	Electronic Reports of Catch and Production	218
4.3.3.4	Other Data Sources	219
4.3.4	Alaska Region Bycatch Estimation Methods	219
4.3.4.1	Alaska Fish Bycatch Estimation Methods	220
4.3.4.1.1	Prohibited Species Bycatch Estimates	220
4.3.4.1.2	Non-Target Species Bycatch Estimates	220

4.3.4.1.3	Groundfish Landings and Bycatch (Discard) Estimates	220
4.3.4.2	Species Bycatch Estimates for Protected Species	221
4.3.4.2.1	Marine Mammal Serious Injury/Mortality Estimates—Groundfish Fisheries	221
4.3.4.2.2	Seabird Mortality Estimates	221
4.3.4.3	Marine Mammal Serious Injury/Mortality Estimates—AMMOP	222
4.3.4.4	Marine Mammal Serious Injury/Mortality Estimates— Entanglement/Stranding Data	222
4.3.5	Tier Classification of Alaska Region Fisheries	222
4.3.6	Alaska Region Key Stocks	226
4.3.7	Alaska Region Bycatch Estimates	230
4.3.8	Alaska Region Fishery Bycatch Estimate Improvement Plans	230
4.3.8.1	Improvement Plan for Alaskan Groundfish Fisheries	230
4.3.8.2	Improvement Plan for Category II State of Alaska Salmon Fisheries	231
4.3.8.3	Summary of Alaska Region Recommendations	232
Appendix 4.3	Alaska Regional Bycatch Estimates	234
4.4	Northwest Region	313
4.4.1	Fisheries Overview	313
4.4.2	Addressing Regional Bycatch Concerns	313
4.4.3	Data Sources	317
4.4.3.1	Observer Programs	317
4.4.3.2	Logbooks	317
4.4.3.3	Landing Receipts	318
4.4.4	Northwest Region Bycatch Estimation Methods	319
4.4.4.1	Fish Discard Estimation Methods for the West Coast Limited- Entry Bottom Trawl, Groundfish Bottom Trawl Fishery	319
4.4.4.2	Fish Discard Estimation Method for Pacific halibut in the West Coast Limited-Entry Bottom Trawl, Groundfish Bottom Trawl Fishery	319
4.4.4.3	Fish Discard Estimation Methods for the West Coast Limited- Entry Sablefish-Endorsed Fixed-Gear Fishery and the Non- Sablefish-Endorsed Fixed-Gear Fishery	319
4.4.4.4	Fish Discard Estimation Methods for the Oregon/California Nearshore Rockfish Fishery	320
4.4.4.5	Fish Discard Estimation Methods for the West Coast Mid-Water Trawl for Whiting, At-Sea Processing Fishery	320
4.4.4.6	Marine Mammal and Seabird Bycatch Estimation Methods for the West Coast Mid-Water Trawl for Whiting, At-Sea Processing; West Coast Limited-Entry Bottom Trawl; Groundfish Bottom Trawl; Limited-Entry Sablefish-Endorsed Fixed Gear; Non-Sablefish-Endorsed Fixed Gear; and Oregon California Nearshore Rockfish Fisheries	320
4.4.4.7	Fish Discard Estimation Methods for the West Coast Salmon Troll, Non-Tribal, and Tribal Ocean Fisheries	321
4.4.4.8	Marine Mammal and Seabird Bycatch Estimation Methods for the West Coast Salmon Troll, Non-Tribal, and Tribal Ocean Fisheries	321
4.4.5	Tier Scores for Northwest Region Fisheries	321
4.4.6	Northwest Region Key Stocks	324
