Dear Parent,

You are the most important person in your child's life. Your child needs to see us working together. The influence of the parent/guardian and the school is a powerful one.

All volunteers need to complete a volunteer application; however there are two types of school volunteers, specified and temporary.

A **specified school volunteer** may have unsupervised access to students upon receipt of a favorable standardized background check.

A **temporary school volunteer** is not required to complete a background check however; a temporary volunteer may not have unsupervised access to students, and must be under the direct-line-of-sight supervision of a DoDEA employee.

Please circle the areas in which you are willing to volunteer:
