

BIOGRAPHY

Val Dolcini is a fifth generation Californian with deep roots in Yolo County. Prior to being appointed State Executive Director, he managed all government relations activities in the western United States for Accenture LLC, a global consulting firm. Val has also served in senior staff positions for the California's governor and lieutenant governor and for California members of the House of Representatives. More recently, Val served as the chairman of the Yolo Basin

Foundation and he currently serves as the chairman of the Sutter Davis Hospital Foundation Board.
