Homeland Security Investigations

U.S. Immigration and Customs Enforcement (ICE) is the primary investigative arm of the Department of Homeland Security (DHS). With more than 20,000 employees in more than 400 offices around the world, ICE is a key component of the DHS layered defense approach to protecting our nation. Homeland Security Investigations' (HSI's) mission is to conduct criminal investigations that protect the United States against terrorist and other organizations who threaten our safety and national security; to combat transnational criminal enterprises who seek to exploit America's legitimate trade, travel and financial systems; and to uphold and enforce America's customs and immigration laws at and beyond our nation's borders.

As a **criminal investigator**, you will conduct criminal, civil and administrative investigations requiring expert levels of planning and organizational skills for very complex investigations in terms of structure and multi-level coordination requirements.
