

William S. Hodgkiss - William S. Hodgkiss was born in Bellefonte, PA, on August 20, 1950. He received the BSEE degree from Bucknell University, Lewisburg, PA, in 1972, and the MS and PhD degrees in Electrical Engineering from Duke University, Durham, NC, in 1973 and 1975, respectively. From 1975 to 1977, he worked with the Naval Ocean Systems Center, San Diego, CA. From 1977 to 1978 he was a faculty member in the Electrical Engineering Department, Bucknell University, Lewisburg, PA. Since 1978, he has been a member of the faculty of the Scripps Institution of Oceanography, University of California, San Diego, and on the staff of the Marine Physical Laboratory where currently he is Deputy Director. His present research interests are in the areas of signal processing, propagation modeling, environmental inversions with applications of these to underwater acoustics and electromagnetic wave propagation, and wireless sensor networks. Dr. Hodgkiss is a Fellow of the Acoustical Society of America.
