

*2011 Holiday Message  
Expanding Horizons  
to a Network of  
Opportunities*

*Holiday Greetings! In the spirit of the season, the Neighborhood Networks Team wishes you a joyous holiday season.*

*In its 16<sup>th</sup> year, Neighborhood Networks continues to be an enduring technology Initiative. Now more than ever closing the digital divide is about achieving the basic American promise of opportunity for all. Being on the wrong side of the divide can determine whether you can get a job, whether your small business can survive, or whether you can get the best education.*

*Neighborhood Networks Centers continue to be on the forefront of providing low-income Americans access to a world of new opportunities that might otherwise be beyond their reach. Neighborhood Networks centers across the country are Expanding Horizons to a Network of Opportunities.*

*Your hard work and tireless efforts in support of Neighborhood Networks are deeply appreciated. Best Wishes in the coming year!*
