

United Independent School District

Federal and State Compensatory Programs Office

The Migrant Education Program

cordially invites you to

“El Moscas” y Los Pesticidas

A community play by Nephtalí De León

A community play by Nephtalí De León

El Moscas y Los Pesticidas

A community Play by EPA (Environment Protection Agency) and MIA (Migrants and Action) is an interactive play designed to increase safety awareness for families and individuals who work in areas that are treated with pesticides and to broaden their understanding of the “take-home” risks they may be bringing home. The performance is being presented by United Independent School District students through the Migrant Education Program.

Thursday, October 18, 2012

6:00 P.M.

Bill Johnson Student Activity Complex Auditorium

5208 Santa Claudia Lane

For information contact: Veronica Burgoa,
