Fiscal Year 2000 Freedom of Information Act Annual Report
Overseas Private Investment Corporation

- B. You may access this report from OPIC's website, at www.opic.gov.
- C. You may obtain a copy of this annual report in paper form by contacting one of the officials identified above.

II. How to Make a FOIA Request

- A. You may mail your FOIA request to the FOIA office at the address identified above. Alternatively, you may fax your request to (202) 408-0297. If you submit your request by facsimile, do not mail a follow-up letter. A more complete guide to making FOIA requests is located on OPIC's website at www.opic.gov.
- B. OPIC makes every effort to respond to FOIA requests within the statutory 20-day timeframe. Many requests are answered within one or two days. However, responses to requests for project documents generally require more time. In addition, OPIC's response may be delayed by a need to obtain clarification from a requester on the scope of the request.
- C. OPIC's policy is to make its records available to the public to the greatest extent possible, in keeping with the spirit of the FOIA. This policy includes providing reasonably segregable information from records that also contain information that may be withheld under the FOIA. However, implementation of this policy also reflects OPIC's view that the soundness and viability of many of its programs depend in large measure upon the submission of full and reliable commercial, financial, technical and business information by applicants for OPIC assistance. Further, the willingness of those applicants to provide such information depends on OPIC's ability to hold it in confidence. Consequently, except as provided by law, information provided to OPIC in confidence will not be disclosed without the submitter's consent.

III. Definitions of Terms and Acronyms Used in the Report

A. Agency-specific acronyms or other terms.

1. OPIC – the Overseas Private Investment Corporation.

B. Basic terms, expressed in common terminology.

1. FOIA/PA request – Freedom of Information Act/Privacy Act request. A FOIA request is generally a request for access to records concerning a third party, an organization, or a particular topic of interest. A Privacy Act request is a request for records concerning oneself; such requests are also treated as FOIA requests. (All requests for access to records, regardless of which law is cited by the requester, are included in this report).
2. Initial Request – a request to a federal agency for access to records under the FOIA.
3. Appeal – a request to a federal agency asking that it review at a higher administrative level a full denial or a partial denial of access to records under the FOIA, or any other FOIA determination such as a matter pertaining to fees.
4. Processed Request or Appeal – a request or appeal for which an agency has taken a final action on the request or appeal in all respects.
5. Multi-track processing – a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests in each track are processed on a first-in/first-out basis. A requester who has an urgent need for records may request expedited processing (see below).
6. Expedited processing – an agency will process a FOIA request on an expedited basis when a requester has shown an exceptional need or urgency for the records which warrants prioritization of his or her request over other requests that were made earlier.
7. Simple request – a FOIA request that an agency using multi-track processing places in its fastest (nonexpedited) track based on the volume and/or simplicity of records requested.
8. Complex request – a FOIA request that an agency using multi-track processing places in a slower track based on the volume and/or complexity of records requested.

9. Grant – an agency decision to disclose all records in full in response to a FOIA request.
10. Partial grant – an agency decision to disclose a record in part in response to a FOIA request, deleting information determined to be exempt under one or more of the FOIA’s exemptions; or a decision to disclose some records in their entirety, but to withhold others in whole or in part.
11. Denial – an agency decision not to release any part of a record or records in response to a FOIA request because all the information in the requested records is determined by the agency to be exempt under one or more of the FOIA’s exemptions, or for some procedural reason (i.e., no record is located in response to a FOIA request).
12. Time limits – the time period in the FOIA for an agency to respond to a FOIA request (ordinarily 20 working days from proper receipt of a “perfected” FOIA request).
13. “Perfected” request – a FOIA request for records which adequately describes the records sought, which has been received by the FOIA office of the agency or agency component in possession of the records, and for which there is no remaining question about the payment of applicable fees.
14. Exemption 3 statute – a separate federal statute prohibiting the disclosure of a certain type of information and authorizing its withholding under FOIA subsection (b)(3).
15. Median number – the middle, not average, number. For example, of 3, 7, and 14, the median number is 7.
16. Average number – the number obtained by dividing the sum of a group of numbers by the quantity of number in the group. For example, of 3, 7, and 14, the average number is 8.

Second, OPIC's FOIA Office obtained a permanent support staff member to assist with logging in and tracking FOIA requests, preparing FOIA responses, and maintaining the FOIA log. Third, OPIC's FOIA Officers provided training to FOIA Coordinators in each of OPIC's departments. The training focused on efficient and thorough processing of FOIA requests.
