

Illness and accidents
are part of life.

Health insurance
should be too.

Medicaid and your State's children's health insurance program provide the care needed to keep your kids healthy. Your child or teen can get:

- Regular check-ups and shots
- Doctor and dentist visits
- Vision and hearing care
- Hospital care
- Mental health services
- Needed treatment, including prescription drugs
- And much more

Children in a family of four with incomes up to [insert amount] can get low-cost or no-cost health coverage in [insert State]. Even if you've been turned down in the past, call or go to www.InsureKidsNow.gov today to find out how to sign up - and gain peace of mind knowing your kids are covered.
