Due to the impact of Hurricane Sandy on the State of Rhode Island, Governor Lincoln D. Chafee declared a state of disaster emergency on October 28, 2012.

In response to this emergency, the Administrator of the Division of Motor Vehicles has authorized a temporary waiver of IRP registration for the purpose of ensuring that essential emergency relief supplies, equipment and services reach the impacted areas. This waiver applies only to vehicles that are properly registered and are responding to the emergency, including vehicles transporting relief supplies and equipment, utility company vehicles, tree service vehicles and vehicles used by relief agencies. This waiver will remain in effect until further notice.
