SUBJECT: Waiver to Carriers Transporting Essential Emergency Relief Supplies due to Hurricane Sandy

Due to potential severe weather impacts in the Commonwealth from Hurricane Sandy, the Governor has issued an Executive Order seeking relief for movement of essential supplies to support emergency response and recovery activities.

As a result, the Virginia Department of Transportation, Virginia Department of Motor Vehicles and the Virginia Department of Emergency Management jointly authorize a temporary waiver of registration and license requirements, along with normal weight and width restrictions, for the purpose of ensuring that essential emergency relief supplies reach the disaster area in a timely manner. This waiver is effective beginning 12 pm. October 26, 2012 until 12 pm November 30, 2012 and includes an exemption in coordination with the Virginia Department of Emergency Management which activates the FMCSA Section 390.23 Relief of Regulations including hours of service. It pertains only to statewide shippers and carriers of essential emergency relief supplies or providing restoration of utilities to severe weather impacted areas within the Commonwealth. The waiver is subject to the weight restrictions below:
