1.0 INTRODUCTION

Welcome to the 'E-Verify User Manual for Employers.' This manual provides guidance on E-Verify processes and outlines the rules and responsibilities for employers enrolled in E-Verify. All users must follow the guidelines set forth in the 'E-Verify Memorandum of Understanding for Employers (MOU)' and the rules and responsibilities outlined in this manual.

For the purpose of this manual, the term 'employer' means any U.S. company, corporation or business entity that is required to complete Form I-9, Employment Eligibility Verification (referred to hereafter as Form I-9) including any company employee with an E-Verify user account.

This section introduces the background and overview, basic website navigation, participation, user roles, rules and responsibilities, and the privacy and security guidelines of E-Verify.

1.1 BACKGROUND AND OVERVIEW

In 1996, Congress passed the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA), which required the Social Security Administration (SSA) and U.S. Citizenship and Immigration Services (USCIS), formerly the Immigration and Naturalization Service, to initiate an employment verification pilot program. Under the U.S. Department of Homeland Security (DHS), U.S. Citizenship and Immigration Services operates the E-Verify program, previously referred to as Basic Pilot. E-Verify is an internet-based system that implements the requirements in the IIRIRA by allowing any U.S. employer to electronically verify the employment eligibility of all its newly hired employees.

E-Verify is a voluntary program for most employers, but mandatory for some, such as employers with federal contracts or subcontracts that contain the Federal Acquisition Regulation (FAR) E-Verify clause and employers in certain states that have legislation that mandates the use of E-Verify for some or all employers.

NOTE: E-Verify cannot provide you with guidance on state or local laws that require your participation in E-Verify. For help, you should contact the appropriate state officials, or you may also receive assistance through a local Chamber of Commerce.

Apart from any state or local law that requires participation in E-Verify, employers are fully responsible for complying with sections 274A (which addresses the requirements of the Form I-9 process) and 274B (which addresses unfair immigration-related employment practices) of the Immigration and Nationality Act. If employers fail to comply with either, then they may be subject to penalties.

E-Verify works by electronically comparing the information on an employee's Form I-9 with SSA, DHS, and U.S. Department of State (DOS) records to verify the identity and employment eligibility of each newly hired employee and/or employee assigned to a covered federal contract.

At this time, an employer can verify the employment eligibility of only one person at a time within E-Verify. All new, temporary, seasonal, and rehired employees must be entered into E-Verify individually.

E-Verify is free and the best means available to determine the employment eligibility of new hires. E-Verify is currently available in all 50 states, the District of Columbia, Puerto Rico, Guam and the U.S. Virgin Islands.

NOTE: E-Verify Self Check, referred to as Self Check, is a free, fast, secure and voluntary online service that allows individuals to perform employment eligibility checks on themselves. Employers may not ask current or prospective employees to use Self Check to prove employment eligibility. The service is designed to provide visibility into government records, and if necessary, guidance on how to correct those records. Self Check is separate from the E-Verify user interface. For more information and specific rules visit www.uscis.gov/E-Verifyselfcheck.

Self Check does not satisfy or supersede the requirements of federal contractors subject to the Federal Acquisition Regulation (FAR) E-Verify clause, or any other employers, to use E-Verify.

1.2 BASIC WEBSITE NAVIGATION

All E-Verify users need to be familiar with the website navigation links. The figure below provides a screen shot of the employer user Web page. The navigation links within each area vary depending upon the type of user.

Area 1 displays the E-Verify logo and the telephone number for Customer Support: 888-464-4218. Area 1 also includes a quick shortcut to begin the verification process. By clicking the green 'Verify Employee' button, you will begin the verification process.

Area 2 contains 'E-Verify News' which includes important updates on E-Verify, information affecting employment verification, best practices and current events.

Area 3 contains E-Verify navigation options which are identified in the 'Area 3 Navigation Overview.' Selecting a navigation menu link is the first step in accessing a

task or function in E-Verify. Choosing an option displays the first active page where a user enters information. Each user's menu option is based on his or her assigned user role. For more information, see Section 1.4.

1.3 E-VERIFY PARTICIPATION: ENROLLMENT VS. REGISTRATION

It is important to understand the difference between enrollment and registration which is outlined in the 'Enrollment vs. Registration Overview.' For additional information, visit www.dhs.gov/E-Verify.

To check your company's enrollment status or your access method, contact:

E-Verify Customer Support Monday through Friday 8 a.m. – 5 p.m. local time
Telephone: 888-464-4218 E-mail: E-Verify@dhs.gov

If your company is enrolled and you need information about how to add additional users or about their functions, see Section 6.0.

ENROLLMENT VS. REGISTRATION OVERVIEW		
	Enrollment	Registration
Who	Companies enroll in E-Verify to participate in the program.	Program administrators register new users in E-Verify who are then able to create cases.
How	Visit the E-Verify enrollment website at https://e-verify.uscis.gov/enroll	Program administrators may register general users and additional program administrators at any time after completing the E-Verify tutorial and passing the knowledge test. For more information on adding new users, see Section 7.1.
Why	Companies enroll to verify employment eligibility of employees.	Most enrolled companies have different people who use E-Verify to create cases. There is no limit on the number of users an enrolled company can register to create cases.

To participate in E-Verify, each company must enroll online via any Internet-capable computer using a Web browser of Internet Explorer 5.5, Netscape 4.7 or higher (with the exception of Netscape 7.0) or Mozilla Firefox 1.0 or higher.

Employers must read and accept the electronic 'E-Verify Memorandum of Understanding for Employers (MOU)' which details the responsibilities of the Social Security Administration (SSA), the U.S. Department of Homeland Security (DHS) and the employer. The MOU is signed electronically by the employer during enrollment. However, all E-Verify users must agree to and follow the guidelines and user responsibilities outlined in the MOU and this manual. It is your company's

responsibility to ensure that your users are prepared and capable of using E-Verify properly. Misuse of E-Verify may lead to legal liability for both the company and the user.

To enroll in E-Verify, employers visit the enrollment website. This website guides companies through the enrollment process. Additional information regarding enrollment is found at www.dhs.gov/E-Verify.

Participating companies use E-Verify through an access method determined during the enrollment process. An access method is a type of E-Verify account that offers different features for specific types of organizations. The four access methods include: employer, E-Verify employer agent, corporate administrator and Web services.

The access methods are explained in the 'Access Method Overview.'

ACCESS METHOD OVERVIEW	
ACCESS METHOD	EXPLANATION
Employer Access	<p>My company plans to use E-Verify to verify its employees.</p> <p>Most E-Verify participants, regardless of their business size or structure, are enrolled under the employer access method. This access method allows a company to create cases in E-Verify for its newly hired employees and/or employees assigned to a covered federal contract. For more information, visit www.dhs.gov/E-Verify.</p>
E-Verify Employer Agent Access	<p>My company plans to use E-Verify on behalf of its clients to verify their employees.</p> <p>The E-Verify employer agent access method allows an individual or company to act on behalf of other companies to create cases in E-Verify for their newly hired employees and/or employees assigned to a covered federal contract. For more information, visit www.dhs.gov/E-Verify.</p>
Corporate Administrator Access	<p>My company has a central office that needs to manage E-Verify use for all of its locations that access E-Verify.</p> <p>Corporate administrator access is used only for managing multiple employer accounts and doesn't allow corporate administrator users to create and manage E-Verify cases. For more information, visit www.dhs.gov/E-Verify.</p>
<p>Web Services Access for Employers</p> <p>-or-</p> <p>Web Services Access for E-Verify Employer Agents</p>	<p>My company plans to develop its own software to access E-Verify.</p> <p>The Web services access method requires a company to develop software that interfaces with E-Verify to verify the employment eligibility of newly hired employees and/or employees assigned to a covered federal contract. The company's software will extract data from its existing system or an electronic Form I-9 and transmit the information to E-Verify. If a company chooses this option, it is sent the Web services Interface Control Document. The Interface Control Document contains the information used to develop and test the software interface. Both employers and E-Verify employer agents are eligible to use this access method.</p>

REMINDER

- * Follow E-Verify procedures for ALL new hires while enrolled in E-Verify.

1.4 OVERVIEW OF USER ROLES

Enrolled companies can provide their employee's access to E-Verify by assigning them a user role. Permissions and functions in E-Verify granted to the user depend upon the user role. There are two types of users: general users and program administrators. Review the permissions of each user role in the 'User Role Overview.'

General users and program administrators must successfully complete the online E-Verify tutorial before privileges to create or manage cases are granted. For more information on the specific functions of each user role, see Section 6.1.

USER ROLE OVERVIEW	
USER ROLE	PERMISSIONS
Program Administrator (at least one required)	A company must have at least one program administrator. The program administrator role includes functions of a general user. Permissions include: <ul style="list-style-type: none">• Registering new users• Creating user accounts for other program administrators and general users• Creating and managing cases• Viewing reports• Updating profile information for other program administrators and general users• Unlocking user accounts• Closing company and user accounts
General User (optional)	A company can have as many general users as it desires but is not required to have general users. The general user is responsible for following all E-Verify program rules and staying informed of changes to E-Verify policies and procedures. Permissions include: <ul style="list-style-type: none">• Creating and managing cases• Viewing reports• Updating his/her own user profile

1.5 USER RULES AND RESPONSIBILITIES

All E-Verify users are bound by the guidelines set forth in the 'E-Verify Memorandum of Understanding for Employers (MOU)' and the rules and responsibilities outlined in this manual.

It is your responsibility to ensure that all users understand program rules. We recommend that you review with your users these rules and responsibilities periodically to ensure proper use of E-Verify and the protection of your employees' workplace rights.

All E-Verify users must follow the guidelines specified in the 'Rules and Responsibilities Overview.'

RULES AND RESPONSIBILITIES OVERVIEW	
Employers participating in E-Verify MUST:	
✓	Follow E-Verify procedures for each newly hired employee while enrolled/participating in E-Verify.
✓	Notify each job applicant of E-Verify participation.
✓	Clearly display both the English and Spanish 'Notice of E-Verify Participation' and the 'Right to Work' posters.
✓	Complete Form I-9 for each newly hired employee before creating a case in E-Verify.
✓	Ensure that Form I-9 'List B' identity documents have a photo (Section 2.1).
✓	Create a case for each newly hired employee no later than the third business day after he or she starts work for pay.
✓	Obtain a Social Security number (SSN) from each newly hired employee on Form I-9.
✓	Provide each employee the opportunity to contest a tentative nonconfirmation (TNC).
✓	Allow each newly hired employee to start and continue working during the E-Verify verification process, even if he or she receives a TNC.
✓	Ensure that all personally identifiable information is safeguarded.
Employers participating in E-Verify MUST NOT:	
✗	Use E-Verify to prescreen an applicant for employment.
✗	Check the employment eligibility of an employee hired before the company signed the E-Verify MOU.
✗	Take any adverse action against an employee based on a case result unless E-Verify issues a final nonconfirmation.
✗	Specify or request which Form I-9 documentation a newly hired employee must use.
✗	Use E-Verify to discriminate against ANY job applicant or new hire on the basis

of his or her national origin, citizenship or immigration status.

- ✗ Selectively verify the employment eligibility of a newly hired employee.
- ✗ Share any user ID and/or password.

Upon enrollment, employers are required to clearly display both the English and Spanish 'Notice of E-Verify Participation' and 'Right to Work' posters; both are displayed below. These should be displayed in the most appropriate location for viewing by potential and current employees. Both notices are found in E-Verify after you log in under 'View Essential Resources' (Section 1.2). In addition, E-Verify recommends providing a copy of these posters with job application materials, either online or in hard copy.

1.6 PRIVACY AND SECURITY STATEMENT

The use of E-Verify requires the collection of personally identifiable information. It is essential to protect the privacy of individuals who submit information to be processed through E-Verify. It is your responsibility to ensure that all personal information collected is safeguarded and used only for the purposes outlined in the 'E-Verify Memorandum of Understanding for Employers (MOU)' between E-Verify and the employer/user.

Failure to properly protect individuals' information can result in identity theft or fraud and can cause considerable inconvenience, harm or embarrassment to the individuals affected.

At a minimum, take the steps outlined in the 'Privacy Guidelines Overview' to protect personal information and comply with the appropriate regulations.

PRIVACY GUIDELINES OVERVIEW

▶ **Allow ONLY authorized employees to use E-Verify.**

Ensure that only the appropriate employees handle information and create cases.

▶ **SECURE access to E-Verify.**

Protect the password you use to access E-Verify and ensure that unauthorized users do not gain access to E-Verify.

▶ **PROTECT and STORE individuals' information properly.**

Ensure that employees' information is stored in a safe and secure location and that only authorized individuals have access to this information.

▶ **Discuss E-Verify results in PRIVATE.**

Ensure that all case results including tentative nonconfirmation (TNC) and final nonconfirmation results are discussed in private with the employee.

REMINDER

- * Ensure that all personally identifiable information is safeguarded.

2.0 INITIAL VERIFICATION

The E-Verify verification process begins with a completed Form I-9. E-Verify makes employment eligibility determinations by comparing the employee's Form I-9 information entered in E-Verify with the information contained in Social Security Administration (SSA), U.S. Department of Homeland Security (DHS), and U.S. Department of State (DOS) records.

Information from Form I-9 is entered into E-Verify and a case result is provided. Case results ultimately determine an employee's work eligibility. E-Verify will determine a case result based on information in SSA, DHS, and DOS records. Case results can be initial, interim or final. Every case created in E-Verify receives a final case result before it is closed, and every case must be closed.

This section outlines the steps required to create a case in E-Verify and the initial case results provided by E-Verify.

2.1 FORM I-9 AND E-VERIFY

All employers are required to complete Form I-9 no later than the third business day after the employee starts work for pay and keep a record of the form on file. This requirement does not change for employers enrolled in E-Verify. Employers enrolled in E-Verify have chosen to take the additional step of verifying that the employee's Form I-9 information matches government records thereby ensuring a legal workforce.

To view or download Form I-9, go to the following website:

<http://www.uscis.gov/I-9>

For more information on Form I-9 procedures, refer to the 'View Essential Resources' link on the left navigation menu; you will find the 'Handbook for Employers: Instructions for Completing Form I-9 (M-274).'

To view or download the 'Handbook for Employers: Instructions for Completing Form I-9 (M-274),' go to the following website:

<http://www.uscis.gov/files/form/m-274.pdf>

For additional assistance on Form I-9, contact E-Verify Customer Support Monday through Friday 8 a.m. – 5 p.m. at 888-464-4218.

Newly hired employees must complete Section 1 of Form I-9 in its entirety. Providing a Social Security number on Form I-9 is usually voluntary; however, a Social Security number is required by employers who use E-Verify. Therefore all newly hired employees, including seasonal, temporary and rehires MUST have a Social Security number.

A case cannot be created in E-Verify without a Social Security number. If a newly hired employee has applied for but has not yet received his or her Social Security number (i.e., if he or she is a newly arrived immigrant), make a note on the employee's Form I-9 and set it aside. The employee should be allowed to continue to work. You must create a case in E-Verify using the employee's Social Security number as soon as the Social Security number is available.

If the case was not created by the third day after the employee started work for pay, you must indicate the reason for this delay in E-Verify. You may choose a reason from the drop-down list or state a specific reason in the field provided.

Employers must complete Section 2 of Form I-9 in its entirety. To complete Section 2, employers must examine documents that establish the identity and employment eligibility of the hired employee. The employer may not specify which documents from the list of acceptable documents on Form I-9 an employee may choose to present.

Some documentation establishes both identity and employment eligibility (List A). Other documentation establishes identity only (List B) or employment eligibility only (List C). An employer may accept one document from List A, or a combination of one document from List B and one document from List C.

Any 'List B' document presented to an employer participating in E-Verify MUST contain a photo. However, if an employee objects to photo document requirements for religious reasons, call E-Verify at 888-464-4218. If the employee presents a U.S. Passport, Passport Card, a Permanent Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) you must obtain a copy of it and retain it with Form I-9. For more information on Form I-9 retention guidelines, refer to the 'Handbook for Employers: Instructions for Completing Form I-9 (M-274).'

RECEIPTS

Employers must consider whether or not they can create a case in E-Verify for an employee who has presented an acceptable receipt to complete Form I-9.

If the employee presents a receipt showing that he or she applied to replace a document that was lost, stolen or damaged, a case cannot be created in E-Verify. Presenting a receipt in this situation does not complete the Form I-9 process for E-Verify. You must wait until the employee presents the actual document for which the receipt was presented before you can create a case in E-Verify for the employee.

Employers may create a case in E-Verify for an employee who presents the following receipts:

- The arrival portion of Form I-94/I-94A with a temporary I-551 stamp and a photograph of the individual.
- The departure portion of Form I-94/I-94A with a refugee admission stamp.

For more information on acceptable receipts, see the 'Handbook for Employers: Instructions for Completing Form I-9 (M-274)' or visit www.uscis.gov/i-9central.

REHIRES

While employers must use E-Verify to verify the employment eligibility of employees who are rehired, they should never use E-Verify for reverification.

If you rehire an employee for whom you never created an E-Verify case and the employee's previous Form I-9 lists an expired identity document (List B), then you must complete a new Form I-9 and create a case for the employee in E-Verify.

If you rehire an employee for whom you created an E-Verify case, and the employee's previous Form I-9 lists an expired identity document (List B), then you may either:

- Complete Section 3 of the employee’s previous Form I-9 and not create a new case for the employee in E-Verify; or
- Complete a new Form I-9 for the employee and create a new case for the employee in E-Verify.

REMINDER

- * All newly hired employees need a Social Security number (see exception above)
- * Do NOT specify or request which document a newly hired employee must use for Form I-9
- * A ‘List B’ document MUST contain a photo (see exception above)
- * If the employee presents a U.S. Passport, Passport Card, a Permanent Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) you must obtain a copy of it and retain it with Form I-9

2.2 CREATE A CASE

The next step is to create a case in E-Verify. An E-Verify case must be created no later than the third business day after the employee starts work for pay. If the employer learns that he or she has inadvertently failed to create a case by the third business day after the employee starts work for pay, the employer should bring itself into compliance immediately by creating a case for the employee. Do not create a case for an employee hired before the effective date of your memorandum of understanding (MOU).

In some cases E-Verify prompts you to check the information provided or recreate the case before it can provide a case result. This section reviews each of these scenarios in detail.

HIRE DATE

The hire date is the date the employee began (or will begin) work for pay. Enter the Section 2 ‘Certification’ date from the employee’s Form I-9, circled below, as the hire date in E-Verify.

List A	OR	List B	AND	List C
Document title: _____		_____		_____
Issuing authority: _____		_____		_____
Document #: _____		_____		_____
Expiration Date (if any): _____		_____		_____

CERTIFICATION: I attest, under penalty of perjury, that I have examined the document(s) presented by the above-named employee, that the above-listed document(s) appear to be genuine and to relate to the employee named, that the employee began employment on (month/day/year) and that to the best of my knowledge the employee is authorized to work in the United States. (State employment agencies may omit the date the employee began employment.)

Signature of Employer or Authorized Representative	Print Name	Title
Business or Organization Name and Address (Street Name and Number, City, State, Zip Code)		Date (month/day/year)

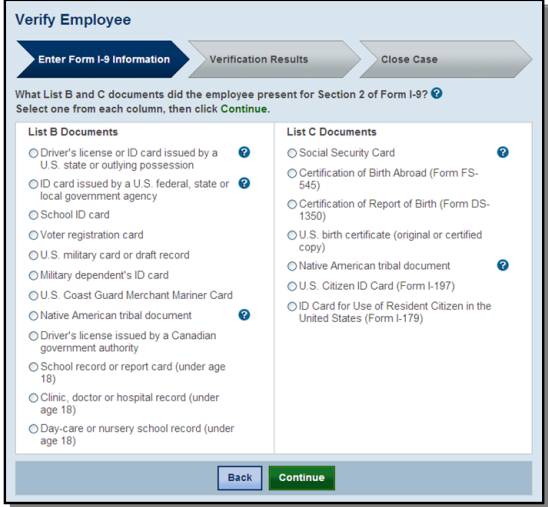

If you rehired an employee and completed Section 3 of Form I-9, enter the ‘Date of Rehire’ from Section 3 of the employee’s Form I-9 as the hire date in E-Verify.

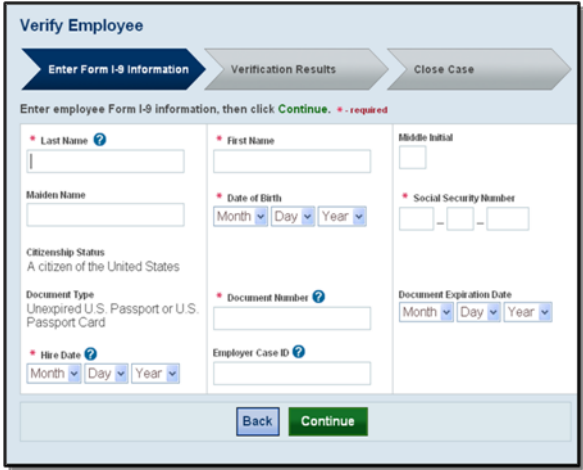

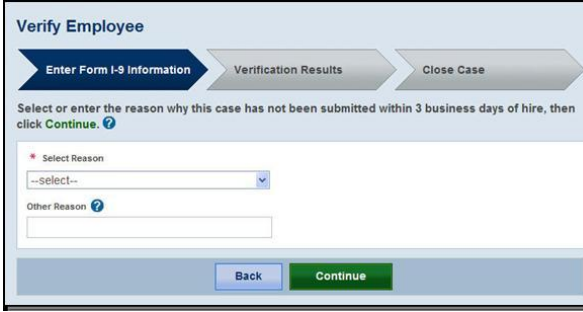

If the employee’s hire date changes after you have created the case in E-Verify, no additional action is required in E-Verify as you cannot change the hire date once you’ve created the case. You must, however, make a correction to the Section 2 ‘Certification’ date on the employee’s Form I-9 if the employee’s hire date changes.

Consult the 'Handbook for Employers: Instructions for Completing Form I-9 (M-274)' for more information.

Employees hired on or before November 6, 1986, are not subject to Form I-9 or verification through E-Verify. Individuals hired for employment in the Commonwealth of the Northern Mariana Islands (CNMI) on or before November 27, 2009 are also not subject to Form I-9 or verification through E-Verify.

To create a case, take the information that the employee completed on his or her Form I-9 and enter it into E-Verify. To enter this information into E-Verify, you must first log in with your assigned user ID and password and then follow the steps outlined in 'How to Create a Case – Process Overview.'

ERROR: UNEXPIRED DOCUMENT REQUIRED

If an expired U.S. Passport, Passport Card or driver's license was entered, E-Verify will display 'Error: Unexpired Document Required.' This means that E-Verify has NOT created a case for this employee. You must obtain an unexpired document for Form I-9 and re-enter the case.

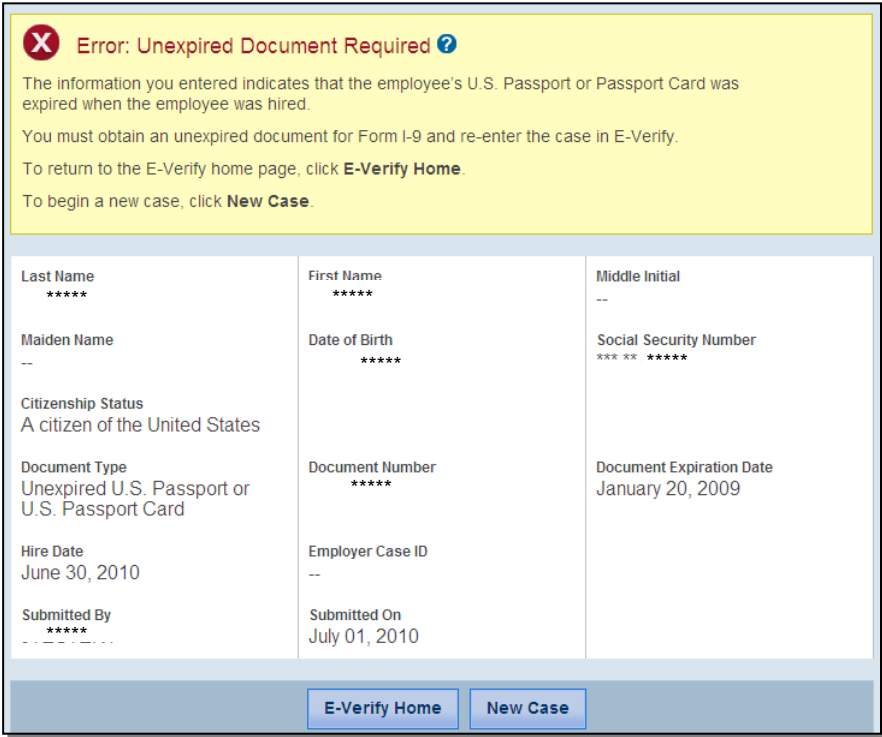

As of April 3, 2009, all documents presented by an employee for Form I-9 must be unexpired (see exception below). If the document entered for an employee was expired when the employee was hired, you will need to obtain an unexpired document for Form I-9 and re-enter this employee's case in E-Verify when you have the new document.

Just because the employee presented an expired document does not mean that the employee is not authorized to work. E-Verify will verify the employment eligibility of this employee once you obtain an unexpired document and re-enter the case.

EXCEPTION: In very limited situations, you may accept an expired document with Form I-9 only if the U.S. Department of Homeland Security (DHS) has automatically extended the expiration date of the document via publication in the Federal Register. When such a document is presented for Form I-9, the expiration date is the extended date that appears in the DHS guidance or Federal Register Notice. In all other instances, the document presented with Form I-9 must be unexpired at the time the employee is hired. For information on this exception, visit www.uscis.gov/tps.

ERROR: UNEXPIRED DOCUMENT REQUIRED – PROCESS OVERVIEW

► E-Verify prompts an ‘Error: Unexpired Document Required’ case result.

► Obtain an unexpired document from the employee for Form I-9.

► Click ‘New Case’ and enter the employee’s unexpired Form I-9 document information.

IMPORTANT: An expired document presented for Form I-9 does NOT mean that the employee is not authorized to work in the United States. Obtain an unexpired document and then re-enter the case in E-Verify. E-Verify will then return a case result for this employee.

E-VERIFY PHOTO MATCHING

Photo matching is an automatic part of creating a case in E-Verify that prompts you to compare an employee’s photo ID with a photo displayed in E-Verify. This helps ensure that the document provided is valid.

The photo matching step happens automatically. This may occur when you create a case for an employee who has presented a U.S. Passport, Passport Card, Permanent

Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) for his or her Form I-9 documentation. When the employee presents one of these documents and the Form I-9 information entered by the employer matches DHS or DOS records, the employee's photo automatically displays in E-Verify. You must make a copy of the employee's Form I-9 photo document and retain it with Form I-9 in order to match the photos.

Matching photos is easy—simply compare the photo displayed by E-Verify to the photo on the employee's actual document or a copy of the employee's document and determine if the photos are reasonably identical. This means that the photos should be identical, but you should take into account minor variations in shading and detail between the two photos based upon the age and wear of the employee's document and the quality of your computer monitor.

A watermark has been added to the photo displayed in E-Verify to prevent unauthorized use. The photo on the document presented by the employee will not have a watermark. Absence of a watermark on the document photo does not mean that it is not authentic.

Do not compare the photo displayed by E-Verify to the actual employee. The direct comparison between the document and the individual happens during Form I-9 completion, prior to using E-Verify. The 'Photo Matching - Process Overview' provides a summary.

PHOTO MATCHING – PROCESS OVERVIEW

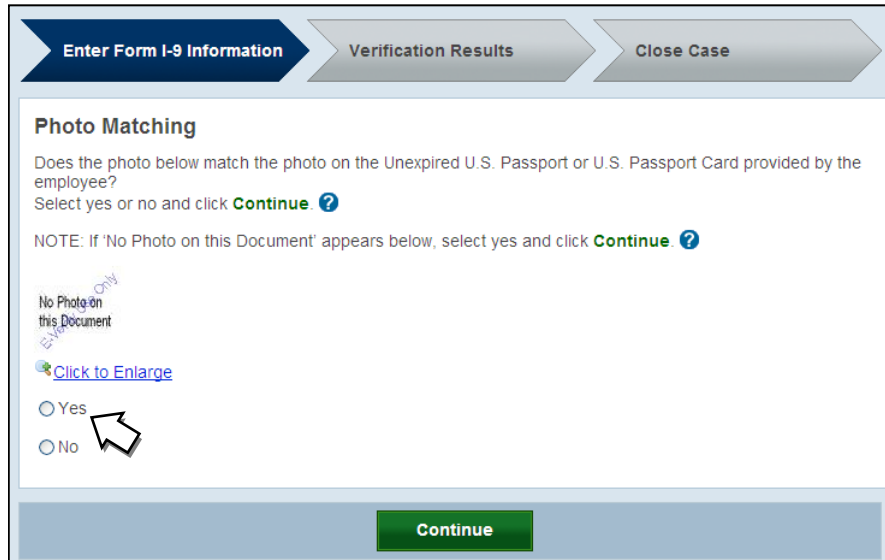

- ▶ E-Verify prompts you to compare a photo displayed in E-Verify with the employee's Form I-9 photo document. You must obtain a copy of the employee's document and retain it with Form I-9.
- ▶ Account for minor variations in shading and detail between the two photos and select Yes or No.

The screenshot shows a web interface for E-Verify. At the top, there is a blue navigation bar with three steps: 'Enter Form I-9 Information', 'Verification Results', and 'Close Case'. The 'Verification Results' step is highlighted. Below the navigation bar, the main content area is titled 'Photo Matching'. It contains the following text: 'Does the photo below match the photo on the Unexpired U.S. Passport or U.S. Passport Card provided by the employee? Select yes or no and click **Continue** ?'. Below this text is a small photo of a man's face. Underneath the photo is a link that says 'Click to Enlarge'. At the bottom of the main content area, there are two radio buttons: 'Yes' and 'No'. At the very bottom of the interface, there is a green button labeled 'Continue'.

- ▶ Yes – the photo on the employee's actual document or a copy matches the photo displayed by E-Verify. Clothing, hair style, facing direction and appearance on the card should be identical to the photo displayed by E-Verify.
- ▶ No – the photo on the employee's actual document or a copy does not match the photo

displayed in E-Verify.

NOTE: If 'No Photo on this Document' appears, select Yes.

► Click 'Continue.'

NOTE: If you do not make a selection and click 'Continue,' the case will receive a status of 'Photo Matching Required.' To search for a case, see Section 4.3 'Case Alerts.'

IMPORTANT: Compare the photo displayed in E-Verify with the employee's Form I-9 photo document, not to the actual employee.

After a selection is made, one of the following case results will appear:

- ◆ EMPLOYMENT AUTHORIZED, Section 2.4
- ◆ DHS TENTATIVE NONCONFIRMATION (TNC), Section 3.3

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

REMINDER

- * Employees always have a choice of which acceptable documents to present for Form I-9; you may NOT require workers to present documents that activate photo matching
- * Copies must be made of all U.S. Passports, Passport Cards, Permanent Resident Cards (Form I-551) and Employment Authorization Documents (Form I-766) presented by employees and must be retained with Form I-9
- * The photo will display automatically in E-Verify during the verification process
- * Only compare the employee's Form I-9 photo document to the photo displayed in E-Verify

2.3 INITIAL CASE RESULTS

The information entered into E-Verify is checked against SSA, DHS, and DOS records. Once a case is created, a result is displayed. Initial case results are displayed in the 'Initial Case Results – Overview.' If you make a mistake after creating a case, you must close the case. For more information, see Section 4.2.

INITIAL CASE RESULTS - OVERVIEW	
Employment Authorized	The employee's information matched SSA and/or DHS records. It's that easy!
SSA or DHS Tentative Nonconfirmation (TNC)	Information does not initially match SSA or DHS records. Additional action required. For more information, see Section 3.0 'Interim Case Results.'
DHS Verification In Process	This case is referred to DHS for further verification.

2.4 EMPLOYMENT AUTHORIZED

An initial case result of 'Employment Authorized' is the most common and simple case result in E-Verify. 'Employment Authorized' means that the information entered into E-Verify matched SSADHS, and/or DOS records and that E-Verify verified the employment eligibility for the employee entered. It's that easy! However, a case that is 'Employment Authorized' is incomplete until it is closed. To close a case, see Section 4.2 'Close Case.'

'Employment Authorized' is considered both an initial case result and a final case result. This means that the only additional step required is to close the case in E-Verify.

Follow the steps outlined in the 'Employment Authorized - Process Overview.'

EMPLOYMENT AUTHORIZED – PROCESS OVERVIEW

- ▶ Receive case result 'Employment Authorized.'

The screenshot shows a process flow with three steps: 'Enter Form I-9 Information', 'Verification Results', and 'Close Case'. The 'Verification Results' step is highlighted with a green checkmark. Below the flow is a yellow box titled 'Employment Eligibility:' containing a green checkmark and the text 'Employment Authorized'. Below this, it states: '***** is authorized to work in the United States. To complete the verification process, click **Close Case** ?'. The main area of the screenshot is a form with the following fields:

---	---	---
Maiden Name	Date of Birth	Social Security Number

Citizenship Status A noncitizen national of the United States

At the bottom of the form is a green button labeled 'Close Case'.

- ▶ Check the information in E-Verify against the employee's Form I-9.
- ▶ Close Case.

A case result of 'Employment Authorized' requires the important step of closing the case. You must close each case; this does not happen automatically. Closing the case removes it from the active cases or the 'Open Cases to be Closed' list. To close each case, follow the steps outlined in Section 4.2 'Close Case.'

REQUEST NAME REVIEW

In some cases E-Verify generates a case result of 'Employment Authorized,' but the name returned in E-Verify does not match exactly the name on Form I-9. This happens when the information matches but there are name variations in the DHS records. You must review the employee's name to ensure that the correct case result was determined. This will ensure that the case result belongs to the intended employee. E-Verify allows for a name review by following the steps outlined in the 'Request Name Review - Process Overview.'

IMPORTANT: You may not use this functionality in a discriminatory manner (e.g., based on an individual's race, national origin or ethnicity).

TENTATIVE NONCONFIRMATION (TNC)

A tentative nonconfirmation (TNC) case result means that the information entered into E-Verify from Form I-9 differs from SSA, DHS, or DOS records. E-Verify identifies the agency associated with the mismatch when the TNC result is provided.

An SSA TNC means that the information entered into E-Verify does not match SSA records. The section below outlines the specific steps required when this case result occurs. Included are descriptions of additional interim case results from SSA and actions the employee will need to take.

A DHS TNC means that the information entered into E-Verify does not match DHS records. The section below outlines the specific steps required when this case result occurs. Included are descriptions of additional interim case results from DHS and actions the employee will need to take.

Section 3.0 'Interim Case Results' provides details and actions required of the employer when you receive a TNC.

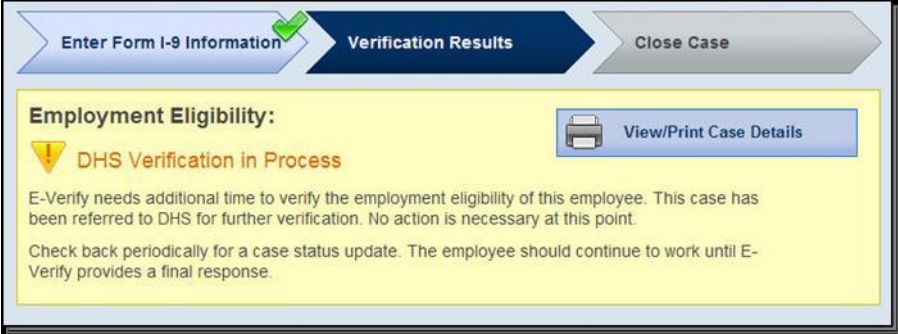

2.5 DHS VERIFICATION IN PROCESS

A case result of 'DHS Verification in Process' means that the information did not match DHS records. The case is automatically referred to DHS for further verification. No action is required by you at this time. DHS will respond to most of these cases within 24 hours, although some responses may take up to three federal government workdays. Check E-Verify daily for a response. Follow the steps outlined in the 'DHS Verification in Process – Process Overview.'

IMPORTANT: You may not take any adverse action against an employee who receives a 'DHS Verification in Process' case result.

DHS VERIFICATION IN PROCESS – PROCESS OVERVIEW

- ▶ Check E-Verify for changes to case results.

- ◆ EMPLOYMENT AUTHORIZED, Section 2.4
- ◆ DHS TENTATIVE NONCONFIRMATION (TNC), Section 3.3
- ◆ DHS CASE IN CONTINUANCE, Section 3.4

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

3.0 INTERIM CASE RESULTS

An interim case result requires additional action before E-Verify can provide a final case result and you can complete the verification process. Interim case results are displayed in the 'Interim Case Results – Overview.'

INTERIM CASE RESULTS - OVERVIEW	
SSA or DHS Tentative Nonconfirmation (TNC)	Information did not match SSA, DHS, or DOS records. Additional action is required.
Review and Update Employee Data	A prompt to review, update and resubmit the employee's Form I-9 information.
DHS Verification In Process	This case is referred to DHS for further verification. See Section 2.5 for more information.
SSA or DHS Case in Continuance	The employee has visited an SSA field office, or contacted DHS, but more time is needed to determine a final case result.

IMPORTANT: You may not take an adverse action against an employee for any interim case result.

3.1 SSA TENTATIVE NONCONFIRMATION (TNC)

An 'SSA Tentative Nonconfirmation (TNC)' results when the information submitted in E-Verify does not initially match SSA records. An SSA TNC does not mean that the employee is not authorized to work in the United States.

An SSA TNC case result may occur because the employee's:

- Citizenship or immigration status was not updated with SSA
- Name change was not reported to SSA
- Name, Social Security number or date of birth is incorrect in SSA records
- SSA record contains another type of mismatch
- Information was not entered correctly by the employer

The employee must be notified of this result as soon as possible by following the steps in the 'Notify Employee of SSA TNC – Process Overview.'

NOTIFY EMPLOYEE OF SSA TNC

You must promptly notify the employee of the 'SSA Tentative Nonconfirmation (TNC)' case result.

When notified of the SSA TNC, the employee chooses to either contest or not contest the case result. In either case, the employee acknowledges his or her decision on the 'Notice to Employee of Tentative Nonconfirmation,' also called a TNC notice. When an employee chooses to contest an SSA TNC, it means that the employee will visit a SSA field office within eight federal government workdays.

If the employee chooses not to contest the SSA TNC, he or she acknowledges that you may terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the memorandum of understanding (MOU).

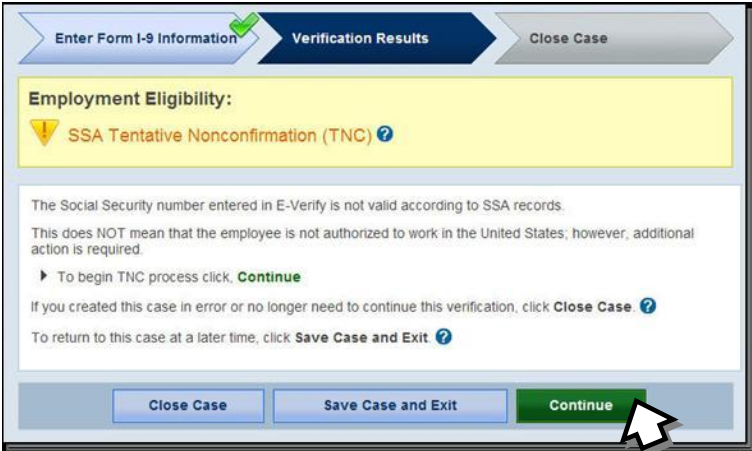

If the employee chooses not to contest the SSA TNC, the case automatically becomes a final nonconfirmation (FNC). You may close the case in E-Verify and terminate his or her employment. For more information, see Section 4.2 'Close Case.'

Your employee has ten business days after you have notified them of an SSA TNC to decide whether they wish to contest or not. If, after you have followed the steps below to notify your employee, he or she does not notify you of his or her decision, in ten business days, you may consider this case a FNC. You may close the case in E-Verify, and you may terminate employment based on this result.

To notify an employee of the SSA TNC case result, follow the steps outlined in the 'Notify Employee of SSA TNC - Process Overview.'

NOTIFY EMPLOYEE OF SSA TNC – PROCESS OVERVIEW

- ▶ Receive SSA TNC case result.
- ▶ Click 'Continue.'

▶ Complete the following steps:

1. Select the TNC notice in either English or Spanish. Confirm that the name and Social Security number listed on the top of the notice are correct. Print the TNC notice. If you or the employee notices that the information is incorrect, you must close the case and create a new case for the employee. When you close the original case, select the case closure statement, 'The case is invalid because the data entered is incorrect.'

If the employee cannot read, you must read the TNC notice to the employee. If the employee does not fully understand English, you must provide the employee with a translated version of the TNC notice, if it is available. Translated versions of the TNC notice are available in several foreign languages in the 'View Essential Resources' section of E-Verify.

IMPORTANT: You may provide the TNC notice to the employee in person, by fax, e-mail, or overnight or next-day delivery service, as long as you take the proper precautions to ensure the employee's information is protected. The TNC notice is time sensitive; therefore, if you use a mail delivery service, it must be one that can provide

a confirmed delivery date.

2. Review the TNC notice privately with the employee; instructions are found on Page 1 of the TNC notice.
3. Instruct the employee to indicate on the TNC notice whether he or she will contest the SSA TNC.
4. Ensure that you and the employee sign and date the TNC notice after the employee has indicated his or her choice. Indicate that the employee has been notified by selecting the check box 'Confirm Employee Notification.'

To close the case, click 'Close Case,' and follow the steps in Section 4.2. Consider the following to select the most appropriate closure code statement:

- If you decide not to terminate employment, you should not complete a new case for your employee. You should close the case as 'The employee continues to work for the

employer after choosing not to contest a Tentative Nonconfirmation.'

- If you decide to terminate employment you should close the case as 'The employee was terminated by the employer for choosing not to contest a Tentative Nonconfirmation.'

REFER EMPLOYEE TO SSA

After being notified of the 'SSA Tentative Nonconfirmation (TNC),' the employee chooses to contest or not contest the case result and acknowledges his or her decision on the 'Notice to Employee of Tentative Nonconfirmation,' also called a TNC notice. An employee who chooses to contest an SSA TNC is referred to the Social Security Administration.

E-Verify generates a 'Referral to the Social Security Administration' also called an SSA referral letter that you must provide to the employee. The employee must provide this letter to SSA if he or she chooses to contest. You must verify the information on the letter, then print, sign, and provide the letter to the employee. The SSA referral letter provides instructions to you and the employee regarding the next steps. These steps are outlined in the 'Refer Employee to SSA – Process Overview.'

An employee who chooses to contest the SSA TNC has eight federal government workdays to visit an SSA field office to begin resolving the TNC. The employee must provide this letter to SSA when he or she visits an SSA field office. Federal government workdays are Monday through Friday except for federal holidays. The eight federal government workdays begin when the case is referred to SSA in E-Verify. The date by which the employee must visit SSA is printed on the SSA referral letter. Because the eight federal government workdays begin on the date the case is referred, it is important to provide the SSA referral letter to the worker promptly.

You may not terminate, suspend, delay training, withhold pay, lower pay or take any other adverse action against an employee based on the employee's decision to contest an SSA TNC or while his or her case is still pending with SSA.

To refer an employee to visit an SSA field office, follow the steps outlined in the 'Refer Employee to SSA - Process Overview.'

REFER EMPLOYEE TO SSA – PROCESS OVERVIEW

► Click 'Refer Case.'

► Complete the following steps:

1. Select the SSA referral letter in either English or Spanish and confirm that the name and Social Security number listed on the top of the letter are correct. Print the SSA referral letter.

If the employee cannot read, you must read the SSA referral letter to the employee. If the employee does not fully understand English, you must provide the employee with a translated version of the SSA referral letter, if it is available. Translated versions of the SSA referral letter are available in several foreign languages in the 'View Essential

Resources' section of E-Verify.

IMPORTANT: Once the SSA referral letter is signed, you may provide it to the employee in person, by fax, e-mail, overnight or next-day delivery service, as long as you take proper precautions to ensure the employee's information is protected. The SSA referral letter is time sensitive; therefore, if you use a mail delivery service, it must be one that can provide a confirmed delivery date.

2. Review and explain the next steps to the employee – instructions to the employer are on Page 1 of the SSA referral letter and the employee instructions are on Page 2.
3. Ensure that you and the employee sign and date the SSA referral letter.
4. Provide a copy of the signed SSA referral letter in English to the employee; the employee is required to provide the letter to an SSA field office if he or she chooses to contest. File the original SSA referral letter with Form I-9.
5. After these steps are complete, click 'Continue.'

The screenshot displays the E-Verify system interface for the 'Print, Review & Sign Referral Letter' step. At the top, a progress bar shows three stages: 'Enter Form I-9 Information' (completed), 'Verification Results' (current), and 'Close Case'. Below this, a yellow banner with a warning icon states 'Employee Referred to SSA'. A second progress bar shows four steps: 'Print, Review & Sign TNC Notice' (completed), 'Confirm Employee Decision' (completed), 'Refer Employee' (completed), and 'Print, Review & Sign Referral Letter' (current). The main content area is titled 'Print, Review & Sign Referral Letter' and contains the following text: 'This employee was referred to SSA on **March 15, 2010**. The employee must visit a SSA field office within 8 federal government workdays. To complete the referral process follow the steps below.' Step 1 is 'Print the SSA Referral Letter.' It includes a form with a dropdown menu set to 'English' and a 'Print Letter' button. Steps 2 through 5 provide further instructions. At the bottom, there are buttons for 'Close Case', 'Save Case and Exit', and 'Continue'.

- The employee has been referred to SSA, and the case status is 'Employee Referred to SSA.' The employee has eight federal government workdays to visit an SSA field office to be resolving the TNC. The employee must provide the SSA referral letter to SSA when he or she visits an SSA field office.

► Check E-Verify for case updates and follow steps based on next case result.

IMPORTANT: You should ONLY close the case when E-Verify provides a final case result or if you no longer need to continue to verify the employment eligibility of the employee.

SSA has 10 federal government workdays to update the case result in E-Verify. You should check E-Verify periodically for an update in case result. A case referred to SSA is updated with one the following results:

- ◆ EMPLOYMENT AUTHORIZED, Section 2.4
- ◆ SSA FINAL NONCONFIRMATION, Section 4.1
- ◆ SSA CASE IN CONTINUANCE, Section 3.4
- ◆ DHS VERIFICATION IN PROCESS, Section 2.5
- ◆ REVIEW AND UPDATE EMPLOYEE DATA, Section 3.2

3.2 REVIEW AND UPDATE EMPLOYEE DATA

In some instances, a case result of 'Review and Update Employee Data' occurs, and you will receive a prompt to review and update the employee's information. This means that SSA found a discrepancy in the information it received in the E-Verify referral.

A 'Review and Update Employee Data' case result occurs for reasons including typographical errors and/or incorrect information provided on Form I-9. This case result does not mean that the employee is not authorized to work.

This requires you to review Form I-9 with the employee, correct the information and update the case by following the steps provided in the 'Review and Update Employee Data - Process Overview.'

REVIEW AND UPDATE EMPLOYEE DATA – PROCESS OVERVIEW

- ▶ Review the accuracy of the information provided on Form I-9 with the employee. If the employee made a mistake on Form I-9, correct and update.
- ▶ If necessary, modify the employee's information in the fields provided.

3.3 DHS TENTATIVE NONCONFIRMATION (TNC)

A 'DHS Tentative Nonconfirmation (TNC)' results when the information submitted to E-Verify does not initially match DHS or DOS records. A DHS TNC does not mean that the employee is not authorized to work in the United States.

A DHS TNC case result occurs because the employee's:

- Name, Alien number and/or I-94 number are incorrect in DHS records
- U.S. Passport, Passport Card, driver's license or state ID card information could not be verified
- Information was not updated in the employee's DHS records
- Citizenship or immigration status changed
- Record contains another type of error
- Information was not entered correctly by the employer

The employee is notified of this result by following the steps in 'Notify Employee of DHS TNC – Process Overview.'

NOTIFY EMPLOYEE OF DHS TNC

You must promptly notify the employee of the 'DHS Tentative Nonconfirmation (TNC)' case result.

When notified of the DHS TNC, the employee chooses to contest or not contest the DHS TNC case result and indicates his or her decision on the 'Notice to Employee of Tentative Nonconfirmation,' also called a TNC notice. When an employee chooses to contest a DHS TNC, the employee is responsible for contacting DHS within eight federal government workdays.

If the employee chooses not to contest the DHS TNC, he or she acknowledges that you may terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the memorandum of understanding (MOU).

If the employee chooses not to contest the DHS TNC, the case automatically becomes a final nonconfirmation (FNC). You may close the case in E-Verify and terminate employment without penalty. For more information, see Section 4.2 'Close Case.'

Your employee has ten business days after you have notified them of an DHS TNC to decide whether they wish to contest or not. If, after you have followed the steps below to notify your employee, he or she does not notify you of his or her decision, in ten business days, you may consider this case a FNC. You may close the case in E-Verify, and you may terminate employment based on this result.

To notify an employee of the DHS TNC case result, follow the steps outlined in the 'Notify Employee of DHS TNC - Process Overview.'

NOTIFY EMPLOYEE OF DHS TNC – PROCESS OVERVIEW

- ▶ Receive DHS TNC case result.
- ▶ Click 'Continue.'

- ▶ Complete the steps listed below:
 1. Select the TNC notice in either English or Spanish. Confirm that the name and Social Security number listed on the top of the notice are correct. Print the TNC notice. If you or the employee notices that the information is incorrect, you must close the case and create a new case for the employee. When you close the original case, select the case closure statement, 'The case is invalid because the data entered is incorrect.'

If the employee cannot read, you must read the TNC notice to the employee. If the employee does not fully understand English, you must provide the employee with a translated version of the TNC notice, if it is available. Translated versions of the TNC notice are available in several foreign languages in the 'View Essential Resources' section of E-Verify.

IMPORTANT: You may provide the TNC notice to the employee in person, by fax, e-mail, overnight or next-day delivery service, as long as you take the proper precautions to ensure the employee's information is protected. The TNC notice is time sensitive; therefore, if you use a mail delivery service, they must be one that can provide a confirmed delivery date.

 2. Review the TNC notice privately with the employee; instructions are found on Page 1 of the TNC notice.
 3. Instruct the employee to indicate on the TNC notice whether he or she will contest the

DHS TNC.

4. Ensure that you and the employee sign and date the TNC notice after the employee has indicated his or her choice. Indicate that the employee has been notified by selecting the check box 'Confirm Employee Notification.'

The screenshot shows a web interface for handling a DHS Tentative Nonconfirmation (TNC). At the top, there is a yellow banner with a warning icon and the text "DHS Tentative Nonconfirmation (TNC)". Below this is a navigation bar with four steps: "Print, Review & Sign TNC Notice" (highlighted), "Confirm Employee Decision", "Refer Employee", and "Print, Review & Sign Referral Letter".

A box contains the text "Confirm Employee Notification" and a checkbox labeled "I have notified this employee of the TNC."
5. After these steps are complete, click **Continue**.

At the bottom, there are three buttons: "Close Case", "Save Case and Exit", and "Continue".

- ▶ Keep the original, signed TNC notice on file with Form I-9.
- ▶ Provide a copy of the signed TNC notice in English to employee.
- ▶ Once you complete the steps above, click 'Continue.'
- ▶ Next, confirm employee's decision to contest or not contest the case result.

NOTE: If your employee does not notify you of their decision within ten business days, you may consider this case a final nonconfirmation (FNC) and close the case. To close the case, click 'Close Case' and follow the steps in Section 4.2. Consider the following to select the most appropriate closure code statement:

- If you decide not to terminate employment, you should not complete a new case for your employee. You should close the case as 'The employee continues to work for the employer after choosing not to contest a Tentative Nonconfirmation.'
- If you decide to terminate employment you should close the case as 'The employee was terminated by the employer for choosing not to contest a Tentative Nonconfirmation.'

REFER EMPLOYEE TO DHS

After being notified of the 'DHS Tentative Nonconfirmation (TNC),' the employee chooses to contest or not contest the case result and acknowledges his or her decision on the 'Notice to Employee of Tentative Nonconfirmation,' also called a TNC notice. An employee who chooses to contest a DHS TNC must be referred to the U.S. Department of Homeland Security (DHS).

E-Verify generates a 'Referral to the U.S. Department of Homeland Security' also called a DHS referral letter, that you must provide to the employee. First confirm the information on the DHS referral letter is correct, then print, sign and date the DHS

referral letter and provide it to the employee. The DHS referral letter provides instructions to you and the employee regarding the next steps. These steps are outlined in the 'Refer Employee to DHS – Process Overview.'

An Employee who chooses to contest a DHS TNC has eight federal government workdays to contact DHS to begin resolving the TNC. Federal government workdays are Monday through Friday except for federal holidays. The eight federal government workdays begin when the case is referred to DHS in E-Verify. The date by which the employee must contact DHS is printed on the DHS referral letter. Because the eight federal government workdays begin on the date the case is referred, it is important to provide the DHS referral letter to the worker promptly.

If the employer fails to match photos during E-Verify photo matching, a photo mismatch TNC may occur. A photo mismatch TNC requires an additional step but follows the same guidelines of any TNC. If the employee chooses to contest the photo mismatch TNC the employee must be referred to DHS, and you must send a copy of the photo ID document to E-Verify.

You may not terminate, suspend, delay training, withhold pay, lower pay or take any other adverse action against an employee based on the employee's decision to contest a TNC or because the case is still pending with DHS.

To refer an employee to DHS, follow the steps outlined in the 'Refer Employee to DHS - Process Overview.'

3.4 SSA CASE IN CONTINUANCE AND DHS CASE IN CONTINUANCE

An 'SSA or DHS Case in Continuance' indicates that the employee has visited a SSAfield office and/or contacted DHS, but more time is needed to determine a final case result. The reason SSA or DHS needs more time varies with each situation. You should check E-Verify periodically for an update in case result. You may not terminate or take adverse action against an employee while SSA or DHS is reviewing the employee's case.

Once SSA or DHS has updated E-Verify, one of the following case results shows:

For DHS CASE IN CONTINUANCE:

- ◆ EMPLOYMENT AUTHORIZED, Section 2.4
- ◆ DHS FINAL NONCONFIRMATION, Section 4.1

For SSA CASE IN CONTINUANCE:

- ◆ EMPLOYMENT AUTHORIZED, Section 2.4
- ◆ SSA FINAL NONCONFIRMATION, Section 4.1
- ◆ REVIEW AND UPDATE EMPLOYEE DATA, Section 3.2
- ◆ DHS VERIFICATION IN PROCESS, Section 2.5

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

4.0 FINAL CASE RESOLUTION

To complete the E-Verify process, every case must receive a final case result and then be closed. Closing a case is easy; E-Verify guides you through the process after you receive a final case result.

4.1 FINAL CASE RESULTS

Final case results are displayed in the 'Final Case Results – Overview.'

FINAL CASE RESULTS - OVERVIEW	
Employment Authorized	The employee's information matched SSADHS, and/or DOS records. It's that easy! See section 2.4.
SSA or DHS Final Nonconfirmation	E-Verify cannot verify an employee's employment eligibility after the employee has visited SSA or contacted DHS.
DHS No Show	The employee did not contact DHS within the required eight federal government workdays.
Error: Close Case and Resubmit	This case cannot continue because the expiration date entered for the employee's U.S. Passport, Passport Card or driver's license is incorrect. This case must be resubmitted in E-Verify.

SSA FINAL NONCONFIRMATION AND DHS FINAL NONCONFIRMATION

An 'SSA or DHS Final Nonconfirmation' case result is received when E-Verify cannot verify an employee's employment eligibility after an employee has visited a SSA field office or contacted DHS during the tentative nonconfirmation (TNC) referral process. Once an 'SSA or DHS Final Nonconfirmation' has been provided, you must close the case.

You may terminate employment based on a case result of 'SSA or DHS Final Nonconfirmation' with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the 'E-Verify Memorandum of Understanding for Employers (MOU).'

ERROR: CLOSE CASE AND RESUBMIT

If E-Verify prompts an 'Error: Close Case and Resubmit' case result you cannot continue the case because the expiration date you entered for the employee's U.S. Passport, Passport Card or driver's license is incorrect.

When you close the case in E-Verify, select the closure statement option: 'The case is invalid because the data entered is incorrect.'

You must submit a new case for this employee because you cannot change document information for a case that has already been submitted. Therefore, you must close this case and create a new case for this employee using the correct document expiration date.

IMPORTANT: This does not mean that the employee is not authorized to work. E-Verify will verify the employment eligibility of this employee once you create a new case and enter the correct document expiration date.

ERROR: CLOSE CASE AND RESUBMIT SUMMARY

EMPLOYER ACTION

- Receive 'Error: Close Case and Resubmit' case result
- Close case using closure statement option: 'The case is invalid because the data entered is incorrect'
- Resubmit case using the correct document expiration date for the U.S. Passport, Passport Card or driver's license

EMPLOYEE ACTION

- If necessary provide employer with unexpired U.S. Passport, Passport Card or driver's license

4.2 CLOSE CASE

Employers must close EVERY case created in E-Verify. There are 11 possible case closure statements. To assist you in making the correct choice and to reduce the number of options, E-Verify requires you to state whether the employee is still employed. To close a case, employers follow the steps outlined in the 'Close Case – Process Overview.'

CLOSE CASE – PROCESS OVERVIEW

- ▶ Click 'Close Case.'

The screenshot displays the 'Close Case' step in the E-Verify process. At the top, a progress bar shows three steps: 'Enter Form I-9 Information' (completed), 'Verification Results' (completed), and 'Close Case' (current step). Below the progress bar, a yellow box indicates 'Employment Eligibility: Employment Authorized' with a green checkmark. The text states: '***** is authorized to work in the United States. To complete the verification process, click **Close Case** ?'. Below this, a form contains the following fields:

Last Name	First Name	Middle Initial
Maiden Name	Date of Birth	Social Security Number
Citizenship Status A noncitizen national of the United States	Document Number	Document Expiration Date
Document Type Unexpired U.S. Passport or U.S. Passport Card	Employer Case ID	
Hire Date March 12, 2010	Submitted On March 15, 2010	
Submitted By JG006407		

A green 'Close Case' button is located at the bottom center of the form, with a mouse cursor pointing to it.

- ▶ Next, determine if the employee is still employed with the company; select yes or no and click 'Continue.' Your response to the question: "Is (employee's name) currently employed with this company?" will determine which case closure statement options will appear on the next screen.

The screenshot shows the 'Verify Employee' screen. At the top, it displays 'Employee Name' and 'Case Verification Number' with a 'View/Print Case Details' link. A progress bar at the top shows three steps: 'Enter Form I-9 Information' (completed), 'Verification Results' (completed), and 'Close Case' (current step). The main question is: 'Is ***** currently employed with this company? Select yes or no and click **Continue**.' Below the question are two radio button options: 'Yes' and 'No'. At the bottom, there are 'Back' and 'Continue' buttons.

- ▶ Next, select the most appropriate statement and click 'Continue.'

- Record the case verification number on the employee's Form I-9, or print the case details and file it with the employee's Form I-9.

- This completes the E-Verify verification process.

Every case created in E-Verify MUST be closed. To close a case, select one of the case closure statements. E-Verify will present only those statements that are relevant to each case. In some scenarios, not all of the case closure statements are available.

NOTE – CLOSE CASE

When answering the question, “Is the employee currently employed with this company?” it is important to consider the following:

- If you have an employee who didn't contest a tentative nonconfirmation (TNC), or who received a final nonconfirmation or 'DHS No Show,' decide whether you will allow the employee to continue working. If you decide to:
 - Continue the employee's employment, then select 'Yes.'
 - Terminate the employee's employment, do so, then select 'No.'
- If you have an employee who has accepted a job offer, but hasn't yet started work, decide whether you will allow the employee to start working. If you decide to:

- Allow the employee to start work as planned, then select 'Yes.'
- Terminate the employee's employment offer, do so, then select 'No.'

- ◆ Work Authorization Documents Expiring

The E-Verify home page indicates the number of cases that require your attention by a number in a red circle on the alert. Each case alert can be accessed by clicking on the alert. - ◆ A quick link to each case by clicking on the case number

CASES WITH NEW UPDATES

The 'Cases with New Updates' case alert is a quick link to all cases that have had a change in case result. All interim case results must receive a final case result and be closed. This case alert is an easy way to manage these cases.

WORK AUTHORIZATION DOCUMENTS EXPIRING

The 'Work Authorization Docs Expiring' case alert is just a notification that an employee's Employment Authorization Document (Form I-766) or an Arrival-Departure Record (Form I-94) document is expiring. This alert is intended to remind you to reverify the employee by completing Section 3 of Form I-9. The employee cannot be reverified in E-Verify.

This is simply a reminder; no action is required or permitted in E-Verify. You may dismiss each alert by clicking 'Dismiss Alert.'

This alert will only appear if the document the employee presented for the original E-Verify case was either an Employment Authorization Document (Form I-766) or an Arrival-Departure Record (Form I-94). Also, the alert only appears the first time the document expires—subsequent expirations will not activate this case alert.

IMPORTANT: The employee may not be reverified in E-Verify.

5.0 CASE REPORTS

There are four types of case reports available in E-Verify for companies enrolled as employers. These include: 'Corporate Overview Pilot of Usage,' 'Quick Audit Report,' 'User Audit Report,' and 'User Report.' This section provides direction on how to create each of these reports in E-Verify.

All reports are accessed from 'My Reports' by selecting 'View Reports.'

NOTE: All reports display only the last four digits of an employee's Social Security number for added security and to protect employees' privacy.

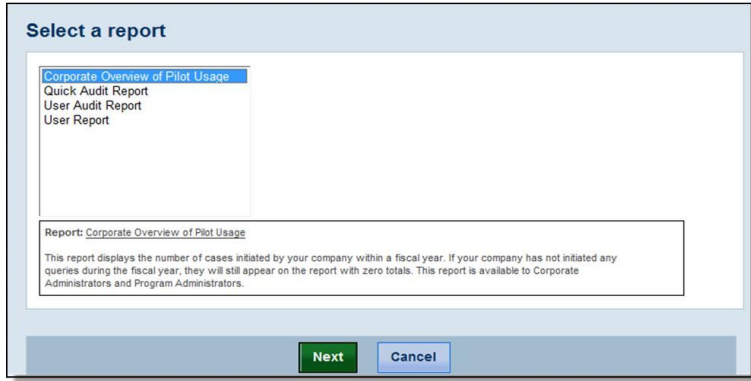

5.1 CORPORATE OVERVIEW OF PILOT USAGE

This report displays the number of cases created by your company within a federal government fiscal year, which begins October 1 and ends September 30 of the following calendar year. If your company has not created any cases during the fiscal year, a report will still appear with a total of zero. 6.0 ACCOUNT ADMINISTRATION

User account administration provides individual users specific functions and permissions to update their accounts, change their passwords and perform other functions explained in this section.

It is important to distinguish that the user account functions are different for each user role.

6.1 USER ROLES

Permissions and functions in E-Verify granted to the user differ for each user role. There are two user roles: program administrator and general user.

Every employer account must have at least one program administrator who provides support for the general user and manages the company profile. A company can choose to have general users who will only be able to create and manage their own cases. General users and program administrators must successfully complete the online E-Verify tutorial before privileges to create or manage cases are granted.

The 'User Role Functions Overview' provides an explanation of the functions of each user role.

USER ROLE FUNCTIONS - OVERVIEW					
ROLE	ADD USERS	VIEW CASES	UPDATE CASES	UNLOCK USERS	VERIFY EMPLOYEES
Program Administrator <i>(at least one required)</i>	x	x	x	x	x
General User <i>(optional)</i>		x	x		x

6.2 USER ID AND PASSWORD CREATION

Program administrator can add users in E-Verify. All users are assigned a user ID and initial password. Upon being initially registered by the program administrator, users receive an e-mail with a user ID and password. E-Verify will prompt users to change the initial password for security purposes. Do not share a password with other users. Each user must have his or her user ID and password.

Passwords are case-sensitive and must be between 8-14 characters, different from the assigned user ID, changed every 90 days and have the following characteristics:

- At least one uppercase or lowercase letter
- At least one number and at least one special character - special characters include: ! @ \$ % * () < > ? : ; { } + - ~
- Contain no more than two identical and consecutive characters in any position from the previous password
- Contain a non-numeric in the first and last positions
- Not identical to the user ID

Additionally, password policy recommends that passwords should not:

- Contain any dictionary word
- Contain any proper noun or the name of any person, pet, child or fictional character, nor any employee ID number, Social Security number, birth date, phone number or any information that could be readily guessed about the creator of the password
- Contain any simple pattern of letters or numbers, such as 'qwerty' or 'xyz123'
- Contain any word, noun or name spelled backwards

An example of an acceptable password is found in the 'Password Example.'

PASSWORD EXAMPLE

This is an acceptable password:
IL!keH20

- ▶ At least eight characters in length
- ▶ An uppercase letter
- ▶ A lowercase letter
- ▶ A special character
- ▶ A number

Passwords expire every 90 days. E-Verify automatically prompts you to create a new password when the old one expires. However, if you think your password has been compromised, change it immediately.

If a user attempts to log in with an incorrect password three consecutive times, E-Verify locks him or her out. Password help contact information is listed in the information box.

If you are locked out of your user account, first try to reset your password using the **'Forgot your password?'** link.

If you forget your user ID, you may retrieve it by using the **'Forgot your User ID?'** link and providing your e-mail address when prompted. However, if you have more than one user ID associated with your e-mail address, you must contact E-Verify Customer Support at 888-464-4218 for assistance.

If you are unsuccessful at resetting your password with the automatic system, contact your program administrator. If your program administrator is not available contact E-Verify Customer Support at 888-464-4218.

The 'Company Hiring Sites' page shows the states where the employer has hiring sites and the number of hiring sites for each state. Program administrators have the option to add hiring sites for a new state, edit the number of hiring sites in a state where the employer currently has participating hiring sites or delete a state from the hiring site list.

► The MOU that was electronically signed for that company will appear in a new window. If the MOU does not load, ensure that your pop-up blocker is disabled.

IMPORTANT: You should not close your E-Verify account if you determine that you need to update the signatory of your E-Verify MOU. Instead, submit the following by e-mail to E-Verify@dhs.gov or by fax to 202-443-0215:

- A written request to update the signatory of your E-Verify MOU; and
- An updated copy of the signatory page from your MOU.

REMINDER

- * Be sure to update your E-Verify account information to reflect any changes.

7.4 CLOSE COMPANY ACCOUNT

Any E-Verify account may be closed voluntarily. To close an account employers must request termination electronically through E-Verify, See 'Close Company Account – Process Overview' or submit a written termination notice by e-mail to E-Verify@dhs.gov or by fax to 202-443-0215. A program administrator or the signatory of the MOU must submit written notice to E-Verify 30 days in advance of the date that the employer would like to close the account.

You must continue to use E-Verify in accordance with the MOU during this 30-day period or until you have received an e-mail confirming that the account is closed, whichever is sooner. All open E-Verify cases still need to be closed, even if you request to close your E-Verify account.

IMPORTANT: Once an account is closed, all access to the account and its associated records is lost. To preserve the records from an E-Verify account, a user audit report, see Section 5.3, should be created and retained. E-Verify case information and

documentation must be retained for your employees for the same length of time as their Forms I-9.

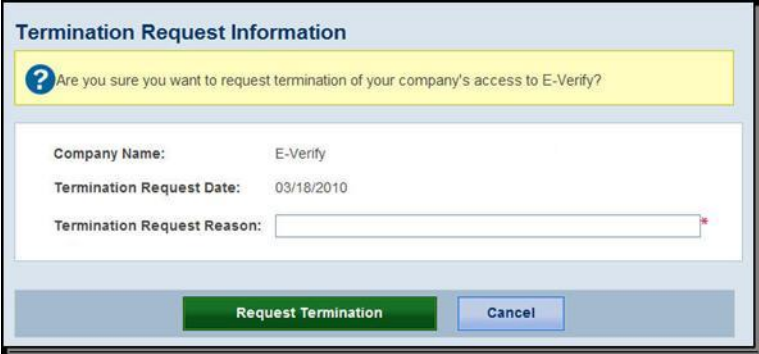

To request termination of company participation in E-Verify, perform the steps outlined in 'Close Company Account – Process Overview.'

CLOSE COMPANY ACCOUNT – PROCESS OVERVIEW

- ▶ From 'My Company,' select 'Close Company Account.'

- ▶ Type the reason for closing the account in the 'Termination Request Reason' field.

- ▶ Click 'Request Termination.'
- ▶ A message will appear informing you that E-Verify will be notified of your request to terminate participation in the program.

REMINDER

If you submitted a termination request by mistake, contact E-Verify Customer Support at 888-464-4218 for assistance.

Employees have the right to choose which document or combination of documents to present. Any 'List B' document presented to an employer participating in E-Verify must contain a photograph.

Admission Number or I-94 Number

An 11-digit number that is found on the Arrival-Departure Record (Form I-94 or Form I-94A).

Alien (Noncitizen)

An individual who is not a citizen or national of the United States.

Alien Registration Number or Alien Number (A-number)

A unique seven-, eight- or nine-digit number assigned to a noncitizen at the time his or her A-file is created. The 9-digit U.S. Citizenship and Immigration Services number listed on the front of Permanent Resident Cards (Form I-551) issued after May 10, 2010, is the same as the Alien Registration Number. The A-number can also be found on the back of these Permanent Resident Cards.

Anti-Discrimination Notice

The anti-discrimination notice is published by the Office of Special Counsel for Immigration-Related Unfair Employment Practices, Department of Justice (OSC), and provides information to employees concerning discrimination in the workplace. The E-Verify memorandum of understanding (MOU) requires participating employers to display both the English and Spanish versions of the notice in a prominent place that is clearly visible to prospective employees. This notice is available in the 'Essential Resources' section of E-Verify. For questions about discrimination during the employment eligibility verification process, employers may contact OSC at 800-255-8155 or 800-237-2515 (TTY) or visit OSC's website at <http://www.justice.gov/crt/about/osc>.

B

C

Case in Continuance

This response is given if the Social Security Administration (SSA) or the U.S. Department of Homeland Security (DHS) needs more than 10 federal government workdays to provide a final case result. The employee continues to work until a final case result is provided in E-Verify from SSA or DHS.

Case Incomplete

This response is given if the user abandons a case after the 'Check Information' screen or the photo matching screen appears. The user will need to continue the case or close the case.

Case Verification Number

A unique number assigned to each E-Verify case that is created when an employer submits an initial verification. Employers participating in E-Verify are required to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

Client

An individual or company that hires an E-Verify employer agent to create E-Verify cases on their behalf.

Corporate administrator access is used only for managing multiple employer accounts and doesn't allow corporate administrator users to create and manage E-Verify cases. New corporate administrators must attend a free, regularly scheduled Web-based training session before their accounts can be activated.

D

DHS No Show

A response received when the employee did not contact the U.S. Department of Homeland Security (DHS) to resolve his or her case and 10 federal government workdays have passed since the date of referral. The 'DHS No Show' result is considered a final nonconfirmation.

DHS Verification in Process

A case result of 'DHS Verification in Process' means that the employee's information did not match U.S. Department of Homeland Security (DHS) records. The case is automatically referred to DHS for further verification. DHS responds to most of these cases within 24 hours, but has up to three federal government workdays to respond. Employers should check E-Verify periodically for a response.

Document Type

Type of document(s) presented by a newly hired employee to verify identity and employment eligibility.

E

Employment Authorized

This is a case result received in E-Verify when the information entered for an employee matches Social Security Administration (SSA) or U.S. Department of Homeland Security (DHS) records. This result indicates employment eligibility has been verified.

Employment Authorization Document (Form I-766)

Form I-9, Employment Eligibility Verification

The form employers are required to complete with an employee when they hire an employee to perform labor or services in return for wages or other remuneration. This requirement applies to all employees hired after November 6, 1986. For employers in the Commonwealth of the Northern Mariana Islands (CNMI), this requirement applies to all employees hired after Nov. 27, 2009. In the CNMI, employers had to complete Form I-9 CNMI for every employee hired for employment in the CNMI from November 28, 2009 to November 27, 2011 and the standard Form I-9 for those hired on or after November 28, 2011.

E-Verify Employer Agent

An individual or company that creates E-Verify cases on behalf of employers, formerly referred to as a designated agent.

E-Verify

E-Verify is an Internet-based program in which the employment eligibility of newly hired employees and existing employees assigned to a covered federal contract will be verified after Form I-9 has been completed. This involves separate verification checks (if necessary) of records maintained by the Social Security Administration (SSA) and the U.S. Department of Homeland Security (DHS).

E-Verify Participation Notice

The E-Verify Participation Notice informs prospective employees that an employer is participating in E-Verify. The memorandum of understanding (MOU) requires participating employers to display both the English and Spanish versions of the notice in a prominent place that is clearly visible to prospective employees.

F

Final Nonconfirmation

If an employee's employment eligibility cannot be verified, an employer will receive a Final Nonconfirmation case result in E-Verify. An employer receiving an 'SSA or DHS Final Nonconfirmation' response may terminate the employee and will not be civilly or criminally liable under any law for the termination, as long as the action was taken in good faith reliance on the information provided through E-Verify as noted in Article

II, Section C – Responsibilities of the Employer (#6) in the memorandum of understanding (MOU).

Notice to Employee of Tentative Nonconfirmation (TNC)

This is a computer generated notice given to an employee after a tentative nonconfirmation (TNC) interim case result has been received from the Social Security Administration (SSA) or the U.S. Department of Homeland Security (DHS). If an employee contests the TNC, he or she must contact or visit the appropriate agency within eight federal government workdays to initiate resolution of his or her E-Verify case.

The document is valid for 10 years. In the current version of the Permanent Resident Card (Form I-551), the name of the document was changed from Resident Alien Card to Permanent Resident Card.

Photo Matching

During the verification process, employers match the photos on certain documents provided by employees when completing Form I-9 with the photo that appears in E-Verify. Photo matching is activated only when an employee has provided a U.S. Passport, Passport Card, Permanent Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) as his or her Form I-9 document.

Photo Match

The photo on the employee's document matches the photo supplied by E-Verify. The photo transmitted by E-Verify should be the same (identical) photo that appears on an employee's U.S. Department of Homeland Security (DHS) issued document. Employers should be able to determine whether the photos match.

Photo Mismatch

The photo on the employee's document does not match the photo supplied by E-Verify. The photo transmitted by E-Verify should be the same (identical) photo that appears on an employee's U.S. Department of Homeland Security (DHS) issued document. Q

R

Referral Letter

An employee who has chosen to contest an 'SSA or DHS Tentative Nonconfirmation (TNC)' case result is provided with the appropriate agency referral letter instructing the employee to contact or visit the appropriate agency within eight federal government workdays from the date of referral to initiate the resolution of the employee's E-Verify case.

Request Name Review

In some cases E-Verify returns a case result of 'Employment Authorized,' but the name shown as authorized does not match exactly the name you entered into E-Verify from the employee's Form I-9. This can happen because of name variations in U.S. Department of Homeland Security (DHS) records.

If the names do not match, the case must be sent to DHS for review. Taking this step ensures that the record associated with the 'Employment Authorized' case result belongs to the employee whose information was entered into E-Verify.

Review and Update Employee Data

In some instances, a case status of 'Review and Update Employee Data' may occur. This means that the Social Security Administration (SSA) found a discrepancy in the information it received in the E-Verify referral. This may occur because of typographical errors and/or incorrect information on Form I-9. The Form I-9 will need to be reviewed with the employee, the information corrected as applicable and then the case may be resubmitted.

S

Social Security Administration (SSA)

The federal government agency that administers a national program of contributory social insurance. SSA and DHS jointly manage the E-Verify program.

Social Security Administration (SSA) Referral

After an employee is advised of an 'SSA Tentative Nonconfirmation (TNC)' and has signed the 'Notice to Employee of Tentative Nonconfirmation' also called a TNC notice, the employee is referred to SSA to resolve the TNC.

T

Tentative Nonconfirmation (TNC)

The employee information was compared to government records and could not be verified. This does not mean that the employee is not authorized to work, or that the information provided was incorrect. The employee must contact or visit either the Social Security Administration (SSA) or the U.S. Department of Homeland Security (DHS) to resolve the discrepancy and continue employment.

U

U.S. Department of State (DOS)

The federal government department that is responsible for international relations. DOS issues U.S. Passports and Passport Cards.

USCIS Number

A nine-digit number listed on the front of Permanent Resident Cards (Form I-551) issued after May 10, 2010 that is the same as the Alien number. The A-number can also be found on the back of these Permanent Resident Cards (Form I-551).

User ID

The user ID is an assigned ID with letters and numbers that identifies the user of a computer system or network. All users who create cases in E-Verify must have their own user IDs. The user ID must be eight characters and may be letters, numbers or a combination of both. A user ID is not case sensitive.

V
