

Silent Patriot

**A woman for all season, a woman for today
She stands to meet all the challenges
And grows along the way**

**Her life is not an easy one
With many loads to bear
But she proudly serves her husband
And the uniform he wears**

**Although she didn't take the oath
To preserve democracy
She's there each day on the home front
To keep our country free**

**She's foreign-born or a country girl
Diversity you will find
But to be an army wife,
It takes a special kind**

**She's one who keeps on going
Through adversity and pain
She's the steady strong foundation
When nothing stays the same**

**She's the one who sheds a tear
As Old Glory passes by
But couldn't give an answer
If you were to ask her why?**

**Throughout the years she marches on
Through tears and joy and strife
She's America's unsung hero ~
She's a military wife**
