**INFORMATION BOOK**

“Cornerstone” families,

Welcome! Congratulations on your assignment to the 428th Field Artillery Brigade. As the brigade commander, I would like to welcome you to the team.

The 428th Field Artillery Brigade trains Soldiers, Marines and Allies in Field Artillery core competencies in order to provide proficient integrators of lethal and non-lethal fires to the operational force. We develop competent, confident, and adaptive leaders able to lead Soldiers and Marines in the contemporary operating environment. This is an extremely tough mission, requiring tremendous effort from dedicated Soldiers and leaders.

The 428th Field Artillery Brigade is the cornerstone of the Field Artillery branch. It is here where a Soldier learns to be a leader and to become a member of the noblest profession: A Field Artilleryman. Our charter with the operational Army is to provide a proficient Artilleryman with whom to fight the Nation's wars. As a professional Gunner, this Brigade is home; a place where he or she will always come back to while a Soldier. Additionally, we set the foundation for junior officers to become confident and adaptable leaders. We lay the first block, the cornerstone on which all else is built.

Lawton/Fort Sill is a great community with a lot to offer and I encourage you to get involved in your Family Readiness Group and all the community opportunities available to your family during your time here. In closing, this is an amazing time to be a member of this winning team, and I look forward to serving with you.

Liz and I are excited you are on the team.

JOHN P. DRAGO  
Colonel, Field Artillery  
Commanding
