

USDA's Hispanic and Women Farmer and Rancher Claims Process & USDA Programs Webinars

United States Department of Agriculture
Farm Service Agency—Rural Development—Natural Resources Conservation Service

Webinar Series Provides an Overview of USDA's Hispanic and Women Farmer and Rancher Claims Process and Highlights Available USDA Programs...

The claims period opened Sept. 24, 2012 and ends March 25, 2013

Join a panel comprised of program experts from the Farm Service Agency, Rural Development and Natural Resources Conservation Service for an in-depth discussion of the available programs offered by USDA and an overview of USDA's Hispanic and Women Farmer and Rancher Settlement Claims Process.

The discussions will offer an overview of the various programs available through these USDA Agencies with specific program details from Agency representatives. Participants will have an opportunity to communicate directly with the panelists in an interactive discussion environment.

Don't delay, reserve your Webinar seat today.
