¹ North American Industry Classification System — United States, 2002

² Excludes farms with fewer than 11 employees.

Dashes indicate data that do not meet publication guidelines. Omitted size classes had no publishable data. A measure of sampling variability for each estimate is available upon request.

Note: Because of rounding, data exclusion of nonclassifiable responses, omission of questionnaire response, and questions where more than one response is allowed, data do not sum to the totals.
