KINGSTON FOSSIL PLANT - BACKUP SEWAGE PUMPS

As we discussed on the telephone, I am forwarding you all field specifications and sketches for your use in preparing PE approved drawings and specifications to be submitted to the State.

Once these drawings and specifications are completed, please mail to R.L.Pope at Kingston Fossil Plant.

Call me at 224-1293) if you have any questions. David Myers 224-1235 Brendo Byers
