Subj: PROPOSED TVA RAILROAD BRIDGE, MILE 8.7, EMORY RIVER

Dear Mr. Petty:

Your application for Coast Guard Bridge Permit to construct a new railroad bridge across the Emory River at Mile 8.7, dated October 16, 1997, was received on October 22, 1997. Your project will be referenced as shown above.

Initial review should take about 30 days to complete. At the end of the review I'll either:

- a. Send you a copy of the Public Notice if we find your application complete and correct; or,
- b. Send you a letter requesting additional information.

If you need any more information about our permit process, please call me at the above telephone number.

Sincerely,
