Re: Noma Fritzsche

Dear Mr. Godfrey:

I attempted to reach you by telephone today, but had to leave a message on your voice mail.

This firm has been retained to represent Mr. and Mrs. Noma Fritzsche, across whose farm in Roanoke County, Tennessee TVA is proposing to construct a rail line.

It is our understanding that you have had several discussions with our clients concerning various estate matters, including the value of their land and the like, but that no agreement has yet been reached and that nothing has been put in writing. I would very much like to discuss these matters with you and will appreciate your giving me a call at your convenience.
