COMMISSION ANNOUNCEMENTS

NOTICE OF ROUNDTABLE DISCUSSION

The Commission will conduct a roundtable discussion on July 18 and July 19, 1994, at the Willard Hotel, Washington, D.C., beginning at 8:30 a.m., to inaugurate a comprehensive study of regulation under the Public Utility Holding Company Act of 1935.

The purpose of the Roundtable is to help determine where, if at all, a federal holding company statute fits into the regulatory scheme. The panels will focus on several major topics, including the future of the industry, state and federal regulation and investor and consumer protections. The public is invited to attend but seating is limited. Interested persons should contact: William C. Weeden, Associate Director, Office of Public Utility Regulation, Division of Investment Management, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, at (202) 942-0545.

Until that date, drafts may continue to be submitted to the attention of John Bernas of the Division of Corporation Finance by facsimile to (202) 272-7546 or by mail to the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, mail stop 3-4. To improve service to the general public and SEC employees, the Office of Administrative and Personnel Management initiated a Personnel Hotline on July 1, 1994. The new automated system provides access to information on employee telephone numbers, SEC job vacancies, employment programs, and employee benefits -- 24 hours a day, 7 days a week. Callers may leave recorded requests for application materials, benefit forms, or employment verifications. The hotline numbers are: (Voice) - (202) 942-4150 or (TTY) - (202) 942-4095.

Callers must have a touch tone phone to access the various menu choices. At the main menu, callers may: press 1 to obtain telephone numbers through the employee locator service; press 2 for general information about the SEC; press 3 for information on employment opportunities; press 4 for employment verifications; and press 5 for benefits information. Job vacancy lists generally are updated each Thursday.

During business hours, hotline callers may press "0" at any time during a message to be connected with an operator. Those with rotary phones will receive a standard information message, as well as the number to call to reach a live operator, (202) 942-4144.
