RULES AND RELATED MATTERS

PASSIVE MARKET MAKING

The Securities and Exchange Commission is adopting a new exception to Rule 10b-6 and a new companion rule, Rule 10b-6A, under the Securities Exchange Act of 1934, which permit "passive market making" by NASDAQ market makers in connection with certain distributions of NASDAQ-quoted securities during the period when Rule 10b-6 otherwise would prohibit such activity. The new provisions apply to firm commitment distributions of NASDAQ securities that qualify for the two business day "cooling-off" period of Rule 10b-6. A passive market maker's bids and purchases are limited by the level of bids of NASDAQ market makers that are not participating in the distribution. Certain technical amendments also are being made to Rules 502 and 508 of Regulation S-B and Rules 502 and 508 of Regulation S-K under the Securities Act of 1933. The Commission will review the operation of the new rule one year following its effectiveness. For further information contact: Nancy J. Sanow, M. CIVIL PROCEEDINGS

PERMANENT INJUNCTION AGAINST DEAN OLDS

On April 8, the Commission filed a complaint in the U.S. District Court for the District of Columbia against Dean A. Olds (Olds). The complaint alleges that Olds violated the anti-fraud provisions of the Securities Exchange Act (Exchange Act) and Rule 10b-5 thereunder in connection with trading in the securities of Minnetonka Corporation (Minnetonka). The complaint alleges specifically that Olds, an attorney, was retained by Minnetonka's General Counsel to provide legal advice in connection with management's consideration of a possible sale of the company and that Olds subsequently purchased the securities of Minnetonka while in the possession of material non-public information.

Simultaneously with the filing of the complaint, without admitting or denying the allegations of the complaint, Olds consented to the entry of a permanent injunction prohibiting him from violating Section 10(b) of the Exchange Act and Rule 10b-5 thereunder and undertook to pay the sum of \$40,909, plus prejudgment interest, and to pay a civil penalty of \$40,909 pursuant to Section 21A of the Exchange Act.
