## COMMISSION ANNOUNCEMENTS

---

### EDGAR PHASE-IN LIST UPDATES

On March 18, 1993, the Commission published in the Federal Register the phase-in list according to which registrants whose filings are processed by the Division of Investment Management are to begin mandatory electronic filing on the Commission's Electronic Data Gathering, Analysis, and Retrieval (EDGAR) system (Rel. IC-19284, February 23, 1993; 58 FR 14848). The Commission has published a cumulative list of updates to the Division of Investment Management phase-in list (Rel. IC-19554, July 1, 1993; 58 FR 37036, July 9, 1993).

A change to a company's phase-in date is of particular significance to persons filing documents with respect to that company, since generally such persons must file electronically when the company becomes subject to electronic filing.

Updates will be published from time to time in the SEC News Digest and copies of the phase-in list updates will be available through the Commission's public reference room. They also will be posted on the EDGAR electronic bulletin board.

In addition, the Division has placed in the public reference room two copies of the phase-in list as of June 28, 1993, one with registrants sorted by phase-in group and investment company complex, and the other with registrants sorted alphabetically by name. FOR FURTHER INFORMATION CONTACT: Anthony A. Vertuno, Senior Special Counsel, Division of Investment Management, at (202) 272-7710.

## ADMINISTRATIVE PROCEEDINGS

### THE COMMISSION ISSUES A CEASE AND DESIST ORDER AGAINST CALOGERO CALCAGNO

The Commission announced on July 12 the institution of a cease and desist proceeding pursuant to Section 8A of the Securities Act of 1933 and Section 21C of the Securities Exchange Act of 1934 against Calogero Calcagno, the former Vice President for Operations of General Technologies Group Ltd., a Copague, New York manufacturer of electro-mechanical and electro-optical equipment. Simultaneous with the institution

of the proceeding, and without admitting or denying the Commission's findings, Calcagno consented to the issuance of an Order Instituting Cease and Desist Proceedings and Findings and Order of the Commission. The Commission's Order finds that Calcagno violated or caused General Tech to violate Section 17(a) of the Securities Act, Sections 10(b), 13(a) and 13(b)(2) of the Exchange Act and Rules 10b-5, 12b-20, 13a-1, 13a-13, 13b2-1 and 13b2-2 promulgated thereunder by assisting General Tech's Chief Executive Officer and a consultant who had substantial responsibility for preparing General Tech's financial statements in implementing a fraudulent scheme to overstate materially General Tech's reported income. The Order finds that Calcagno carried out their directives to falsify inventory reports and to lie to General Tech's auditors (See In the Matter of Calogero Calcagno). (Rel. 33-7007; 34-32616; AAE Rel. 463)

#### JAMES ALLAN BAUER BARRED

The Commission has instituted public administrative proceedings pursuant to Sections 15(b) and 19(h) of the Securities Exchange Act of 1934 (Exchange Act) against James Allan Bauer (Bauer). The Commission simultaneously accepted Bauer's Offer of Settlement, in which, without admitting or denying the matters set forth in the Order Instituting Proceedings (Order), Bauer consented to its issuance. The Order permanently bars Bauer from associating with any broker-dealer, investment company, investment adviser or municipal securities dealer. The bar is based upon Bauer's misappropriation of \$356,000 of client funds while employed as a registered representative from February 1990 through May 1992, thereby willfully violating Section 17(a) of the Securities Act of 1933 and Section 10(b) of the Exchange Act and Rule 10b-5 thereunder. The bar is also based upon Bauer's criminal conviction by the State of Kansas of eight felony counts of unlawful acts in connection with the sale or purchase of securities. In connection with Bauer's criminal conviction, Bauer was sentenced to eight to forty years in prison which was suspended to thirty days incarceration, payment of \$361,000 in restitution and court costs, and a minimum of five years probation. (Rel. 34-32618)

#### NASD PROCEEDINGS AGAINST PATTEN SECURITIES CORP. AND JOHN PATTEN REMANDED

The Commission has remanded to the NASD disciplinary proceedings against Patten Securities Corporation (firm), a Far Hills, New Jersey member firm, and John L. Patten (Patten), its president. The Commission directed the NASD to reassess the sanctions against the firm and Patten on the basis of the violative conduct found by the Commission, to recompute the amount of disgorgement and to refund the monies disgorged to defrauded investors.

In 1986, the firm was the sole underwriter of an offering of 5,750,000 units of Horizon Capital Corp. at 3 cents per unit, all of which was sold to the firm's customers. The Horizon offering closed on January 24, 1986. The NASD found that the firm and Patten manipulated the market for Horizon from early February through March 14, 1986. The Commission agreed that respondents had engaged in a manipulation for part of that period, February 5 through February 19, during which they raised Horizon's price to 7, more than twice the offering price. The Commission found that respondents "deliberately abused their power over market price resulting from their exclusive control of supply ... to cause a sharp and unwarranted rise in the market

price of Horizon while keeping excess securities from depressing the market by absorbing them into inventory." It concluded, however, that the evidence was insufficient to find a manipulation after February 19, noting that various positive developments had occurred in Horizon's outlook, and that the firm's sales of Horizon substantially exceeded its purchases during that period.

The NASD based its computation of the amount of disgorgement on the profits realized by certain Patten family accounts on sales of Horizon to the firm. The Commission concluded that these transactions were "essentially an internal reshuffling of assets." It stated that the proper disgorgement figure should represent the total wrongful profit realized by the firm on Horizon trades through March 14, 1986, noting that prices after February 19 may have been affected by the prior manipulation.

Commissioner Beese dissented in part. In his view, "the manipulation extended throughout the period embraced by the NASD's findings of violation, although to a lesser extent." He also considered that the NASD was correct in ordering disgorgement of the Horizon profits earned by Patten family accounts since the sales made by those accounts to the firm "were an integral part of the manipulation." (Rel. 34-32619)
