U.S. SECURITIES AND
EXCHANGE COMMISSION

ADMINISTRATIVE PROCEEDINGS

PROCEEDINGS INSTITUTED AGAINST JOSEPH H. GASPERINI

The Commission instituted public administrative proceedings under the Securities Exchange Act of 1934 against Joseph H. Gasperini, formerly a registered representative of a registered broker-dealer. Simultaneously, the Commission accepted Gasperini's offer of settlement, wherein he consented to the Order, without admitting or denying the allegations therein.

The Order finds that Gasperini wilfully violated the antifraud provisions of the Securities and Exchange Acts and Rule 10b-5. The Order alleges that from at least January 1982 through April 1983 Gasperini excessively traded options in clients' accounts, initiated unauthorized options transactions in accounts, misrepresented or failed to disclose the risks inherent in his options strategies, and traded options for clients who were unsuitable for options trading.

The Commission suspended Gasperini for 12 months from association with any broker-dealer, investment adviser, investment company or municipal securities dealer; barred Gasperini from association with any such entity in a supervisory capacity or from having any proprietary interest in any such entity; and imposed certain limitations on him should he become reassociated following his suspension, including a prohibition from entering any order for customers relating to the purchase or sale of any option. (Rel. 34-21996)

CIVIL PROCEEDINGS

FINAL JUDGMENT ENTERED AGAINST JOSE L. GOMEZ

The Atlanta Regional and Miami Branch Offices announced that on April 15 the U.S. District Court for the Southern District of Florida entered a Final Judgment of Permanent Injunction and Other Relief against Jose L. Gomez. Gomez consented to the Final Judgment without admitting or denying the complaint's allegations.

The March 20 complaint alleged that Gomez, an Alexander Grant & Company partner, caused Grant to issue unqualified auditor's reports on ESM's financial statements when Grant and Gomez were not "independent" by virtue of payments of at least \$125,000 to Gomez by certain principals of ESM.

Gomez was permanently enjoined from further violations of the antifraud provisions of the securities laws, including: certifying financial statements as an independent auditor when not independent of the audit client; and allowing dissemination to the public of such financial statements without disclosure of the lack of independence of the auditor. Gomez is also enjoined from providing services as an independent certified public accountant to, among others, issuers of securities and securities broker-dealers. Gomez must also disgorge to the ESM receiver an amount of money to be determined at a later hearing. (SEC v. Jose L. Gomez, USDC SDPL, Fort Lauderdale Division, Civil Action No. 85-6227-CIV-GONZALEZ). (LR-10747)

HOLDING COMPANY ACT RELEASES

MIDDLE SOUTH UTILITIES, INC.

A supplemental order has been issued authorizing Middle South Utilities, Inc., a registered holding company, to increase the amount of previously authorized stock that can be issued through a continuous offering shelf registration program (rather than on a delayed basis), in accordance with Rule 415 under the Securities Act of 1933, from four million shares to not more than ten million shares. (Rel. 35-23683 - May 8)

SELF-REGULATORY ORGANIZATIONS

APPROVAL OF PROPOSED RULE CHANGES

The Commission approved proposed rule changes filed by: The Midwest Clearing Corporation (SR-MCC-85-2) requiring mandatory input of accrued interest on trade input forms for its Municipal Bond Comparison System. (Rel. 34-22018); and The National Securities Clearing Corporation (SR-NSCC-85-2) to delineate the current practice that NSCC follows regarding requests for the release of data within its possession and control. (Rel. 34-22024)

IMMEDIATE EFFECTIVENESS OF PROPOSED RULE CHANGES

Rule changes have become effective under Sections 19(b)(3)(A), 19(b)(2), and 19(b)(1), respectively, by: The Options Clearing Corporation (SR-OCC-85-5) to amend its Rule 602(a) to reduce the minimum margin requirement for Treasury securities and foreign currency options. (Rel. 34-22019); and The Boston Stock Exchange Clearing Corporation (SR-BSECC-84-2) revising its by-laws relating to the selection and composition of its Board of Directors; the selection and duties of its Audit Committee; and the establishment of its clearing fund. (Rel. 34-22020); and (SR-BSECC-84-1) revising its rules to reflect the current relationship between, and respective duties of, BSECC and its members and to reflect recent changes in BSECC's operations and BSECC's relationship with the National Securities Clearing Corporation and the Depository Trust Company. (Rel. 34-22021)

SECURITIES ACT REGISTRATIONS

The following registration statements have been filed with the SEC under the Securities Act of 1933. The reported information appears as follows: Form, Name, address and phone number (if available) of the issuer of the security; Title and the number and/or face amount of the securities being offered; Name of the managing underwriter or depositor (if applicable); File number and date filed; Assigned Branch; and a designation if the statement is a New Issue.

ACQUISITIONS OF SECURITIES

Companies and individuals must report to the Commission within ten days on Schedule 13D if after the acquisition of equity securities of a public company their beneficial interest therein exceeds five percent. Persons eligible to use the short form (Schedule 13G) may in lieu of filing a Schedule 13D file a Schedule 13G within 45 days after the end of the calendar year in which the person became subject to Section 13(d)(1). Companies and individuals making a tender offer must have on file at the time the tender offer commences a Schedule 14D-1.

Below is a list of recent filings of Schedules 13D and 14D, which includes the following information: Column 1 - the company purchased (top), and the name of the purchaser; Column 2 - the type of security purchased; Column 3 - the type of form filed; Column 4 - the date the transaction occurred; Column 5 - the current number of shares (in 000's) owned (top) and the current percent owned; Column 6 - the CUSIP number (top) and the prior percent owned; and Column 7 - the status of the filing, i.e., new, update, or revision.

RECENT 8K FILINGS

Form 8-K is used by companies to file current reports on the following events:

- Item 1. Changes in Control of Registrant.
- Item 2. Acquisition or Disposition of Assets.
- Item 3. Bankruptcy or Receivership.
- Item 4. Changes in Registrant's Certifying Accountant.
- Item 5. Other Materially Important Events.
- Item 6. Resignations of Registrant's Directors.
- Item 7. Financial Statements and Exhibits.

The companies listed below have filed 8-K reports for the date indicated and/or amendments to 8-K reports previously filed, responding to the item(s) of the form specified. Copies of the reports may be purchased from the Commission's Public Reference Section (in ordering, please give the date of the report). An invoice will be included with the requested material when mailed.
