CIVIL PROCEEDINGS

COMPLAINT FILED AGAINST LYLOG INTERNATIONAL ENERGY CORP. AND LYLE OGDEN

The Denver Regional Office filed a Complaint for Injunction and Other Equitable Relief on May 2 in the U.S. District Court for the District of Colorado against Lylog International Energy Corp. and Lyle Ogden, both of Denver, Colorado. Lylog and Ogden are charged with violations of the broker-dealer registration, books and records and notice, net capital, and financial responsibility provisions of the Securities Exchange Act of 1934.

The complaint alleged that Lylog, a Denver broker-dealer, aided and abetted by Ogden, its control person, failed to: file an amendment to a false Form BD registration application; become a member of a securities association; keep and maintain records regarding financial responsibility and inability to compute net capital; and keep and maintain books and records and give notice. (SEC v. Lylog International Energy Corp., Lyle Ogden, USDC CO, Civil Action No. 84-914). (LR-10381)

JOSEPH A. PETERSON ENJOINED

The Commission announced that on May 9 Aldon J. Anderson, Chief Judge of the U.S. District Court for the District of Utah, granted the Commission's Motion for Summary Judgment against Joseph A. Peterson of Orem, Utah. After hearing, Judge Anderson found that Peterson violated and aided and abetted violations of the registration and antifraud provisions of the Securities Act of 1933 and the Securities Exchange Act of 1934, and enjoined him from violations of such provisions.

The complaint alleged that Peterson and two companies incorporated in Anguilla, B.W.I., Daystar (West Indies) Ltd, also known as Daystar, and Valhalla Ltd, offered and sold unregistered securities in the form of investment contracts called "Deeds of Settlement" to at least 200 investors in seven states with investments totalling at least \$1 million. The complaint alleged misrepresentations concerning the return of investors money and concerning the returns that investors could expect to receive.

Judge Anderson also ordered that Peterson: must file within 20 days of the service of the Court order an accounting of all funds relating to Daystar and its investors; must disgorge and make restitution of investors funds and any profits from such funds; and not dissipate or dispose of assets from such investments. (SEC v. Daystar (West Indies) Ltd., a/k/a Daystar Ltd., et al., USDC UT, Central Division, C-83-0400-A). (LR-10384)

CRIMINAL PROCEEDINGS

WILSON NORMAN ELLIS CONVICTED

The U.S. Attorney's Office and the Fort Worth Regional Office announced that on May 7 Wilson Norman Ellis of Abilene, Texas was convicted in Federal District Court, Northern District of Texas, on a plea of nolo contendere to one count of securities fraud in purchases of securities through two broker-dealers. Ellis had been indicted by a federal grand jury in Dallas on August 9, 1983, which charged him with securities, mail and wire fraud.

The indictment alleged that: in January 1983, Ellis ordered 259,100 shares of American Quasar Petroleum Co. stock from Arlington Interurban Securities, Inc. of Arlington, Texas without intending or having the means to pay for the securities; Arlington Interurban purchased the stock at Ellis' request through its clearing broker, Southwest Securities, Inc, of Dallas, Texas; and Ellis' failure to pay for the stock at the time required for settlement caused Arlington Interurban and Southwest Securities to lose in excess of \$600,000. Sentencing has been set for May 25. (U.S. v. Wilson Norman Ellis, Criminal No. CR 4-83-137, N.D. TX). (LR-10380)

SELF-REGULATORY ORGANIZATIONS

EFFECTIVENESS OF PROPOSED RULE CHANGE

A rule change filed by the Depository Trust Company has become effective under Section 19(b)(3)(A) of the Securities Exchange Act of 1934. The rule change (SR-DTC-84-2) revises DTC's current fee schedule for certain ancillary services performed by its Interface Department to reflect more accurately DTC's costs. The fee change increases the service charge for remote bank participants to \$80 per month for basic tasks and to \$170 per month for additional tasks. The proposed rule change also establishes certain physical transaction forwarding fees for deposits, withdrawals-by-transfer and urgent withdrawals. (Rel. 34-20960)

NOTICE OF PROPOSED RULE CHANGE

The National Association of Securities Dealers, Inc. filed a proposed rule change (SR-NASD-84-8) to raise to \$50 the maximum amount that any member or person associated with a member may give to another person when the payment or gratuity is given in relation to the business of that person's employer. (Rel. 34-20961)

APPROVAL OF PROPOSED RULE CHANGE

The Commission approved a proposed rule change filed by the Chicago Board Options Exchange, Incorporated (SR-CBOE-84-10) authorizing it to implement an Integrated Billing System (IBS) which would require CBOE members to designate an Options Clearing Corporation member for the payment of monthly Exchange invoices through the IBS. (Rel. 34-20962)
