## CIVIL PROCEEDINGS

### COMPLAINT NAMES QUALITY CARE, INC.

The Commission announced that on May 25 a civil injunctive action was filed in the U.S. District Court for the District of Columbia seeking to enjoin Quality Care, Inc., a public New York corporation engaged in providing health care services to patients in private homes and nursing homes through its branch offices and franchises, from further violations of the registration and antifraud provisions of the Securities Act of 1933 and the periodic reporting requirements of the Securities Exchange Act of 1934.

The Commission's complaint alleged that from 1977 to 1979 Quality Care sold to the public securities in the nature of investment contracts styled as "investor-owned franchises." Pursuant to its franchise agreement, Quality Care extended substantial loans to its franchisees and controlled the day-to-day operations of the franchise. The complaint alleged that Quality Care offered and sold these securities to approximately 150 persons and raised approximately \$5.7 million. Quality Care failed to register these securities with the Commission in violation of the registration provision of the Securities Act.

The Commission's complaint alleged, in addition, that Quality Care violated certain of the antifraud provisions of the Securities Act and the reporting provisions of the Exchange Act in that it prematurely recognized as revenue, in fiscal years 1978 and 1979, the fee amounts it received in connection with the sale and management of its franchises. Quality Care's annual and quarterly financial statements for fiscal years 1978 and 1979 were materially false and misleading, in that it inflated Quality Care's earnings for those years by material amounts and concealed losses that Quality Care otherwise would have reported.

The complaint alleged that Quality Care's materially false and misleading 1978 and 1979 financial statements were transmitted to its franchisees in connection with the sale of franchises and interests therein and were filed with the Commission as part of Quality's Care's annual and quarterly reports in violation of the reporting requirements of the Exchange Act.

Simultaneously with the filing of the complaint, Quality Care consented to the entry of a Final Judgment of Permanent Injunction without admitting or denying the allegations of the Commission's complaint. (SEC v. Quality Care, Inc., Civil Action No. 82-1438, DDC May 25, 1982). (LR-9679)
