### STEWART MEYERS & CO., INC. ENJOINED

The Boston Regional Office announced that on October 6 the Honorable Martin F. Loughlin, U.S. District Judge for the District of New Hampshire, entered an order permanently enjoining Stewart Meyers & Co., Inc. from further violations of the registration and antifraud provisions of the securities laws in the offer, purchase and sale of interests in limited partnerships formed to develop and hold real estate. The Commission commenced this action by filing a complaint which alleged that since in or about January 1975 to in or about February 1980, the defendant offered for sale and sold unregistered securities in the form of limited partnership interests.

Additionally, the Commission's complaint alleged that in the offer and sale of the securities the defendant made misrepresentations of material facts and omitted to state material facts concerning, among other things, the amount of compensation to be received by the general partners and others, the use of investor proceeds, markups on properties to be acquired by the partnerships, commingling of offering proceeds, diversion of offering proceeds, the purchase of substitute properties by the partnerships, the source of funds used to pay returns to investors and the financial condition of related parties.

The complaint also alleged that the defendant prepared and distributed to investors offering memoranda which were false and misleading, marked up the price of properties to be purchased by the partnerships, commingled the proceeds received from the sale of securities with funds of other entities, distributed the offering proceeds in contravention of the terms of the offering memoranda, and failed to acquire properties as disclosed would be acquired.

The injunctive order was entered by default for failure of the defendant to answer the Commission's complaint. (SEC v. Stewart Meyers & Co., Inc., et al., Civil Action No. 82-330-L, USDC New Hampshire). (LR-9785)
