RULES AND RELATED MATTERS

U.S. SECURITIES AND EXCHANGE COMMISSION

PROPOSED DEFINITIONS OF "SMALL BUSINESS" AND "SMALL ORGANIZATION" FOR PURPOSES OF THE REGULATORY FLEXIBILITY ACT

The Commission has issued a release giving interested persons until May 19 to comment on proposed rules under each of the securities laws administered by the Commission that would define the terms "small business" and "small organization" for purposes of the Regulatory Flexibility Act of 1980. Among other things, the Regulatory Flexibility Act requires federal agencies to determine whether proposed and final rules will or are likely to have a significant economic impact upon a substantial number of small entities. The Commission intends to use the proposed definitions in implementing this and other requirements of the Regulatory Flexibility Act.

Persons wishing to submit written views should file four copies thereof with George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549, and should refer to File No. S7-879. All submissions will be available for public inspection. (Rel. 33-6302)
