EXCHANGE COMMISSION

RULE 15c3-1 AMENDED

The Commission announced the adoption of certain amendments to subparagraphs (c)(2)(iv) (C), (c)(2)(vi) (M), (f)(1)(i), (f)(1)(ii) and (f)(3)(iii) of Rule 15c3-1 under the Securities Exchange Act of 1934. The primary purpose of the amendments is to make permanent certain temporary amendments relating to the alternative net capital requirement for brokers and dealers effecting transactions solely in municipal securities and to extend until March 1, 1978 other temporary amendments relating to certain receivables and undue concentration deductions relating to transactions in municipal securities. The amendments will become effective on August 1, the date such temporary amendments were due to expire. (Rel. 34-13806)

The Commission has approved the extension of paragraph (f)(4)(T) to Rule 15c2-11 until January 31, 1978. This temporary paragraph facilitates the submission of price quotations to weekly inter-dealer quotation services. All communications in this matter should be directed in triplicate to George A. (Rel. 34-13807)

DECISIONS IN ADMINISTRATIVE PROCEEDINGS

LARRY ANDERSON BARRED

The Commission has entered an order barring Larry A. Anderson from association with a broker-dealer, investment adviser or investment company. The sanction was based on findings that Anderson, a former director of a registered investment adviser, violated the antifraud provisions of the securities laws. The Commission's action was taken pursuant to an offer of settlement of Anderson wherein he, without admitting or denying the allegations in the order for proceedings, consented to the above findings and sanction. (Rel. IA-600)

COMMISSION ANNOUNCEMENTS

DUDLEY DIGGS MORGAN

Administrative Law Judge Ralph Hunter Tracy has filed an initial decision barring Dudley Diggs Morgan of Tulsa, Oklahoma, from association with any broker or dealer. The administrative law judge found that Morgan's conviction by a jury in Federal District Court of the antifraud provisions of the securities laws served as a basis for a bar. The indictment under which Morgan's conviction was obtained charged that he wilfully participated in a scheme to defraud in the offer and sale of unregistered securities, by preparing and distributing to purchasers and prospective purchasers of such securities, information and sales literature containing false, fraudulent and misleading statements and representations and concealing and omitting from disclosure material information concerning these securities. The decision may be appealed to the Commission.

COURT ENFORCEMENT ACTIONS

FORMER FRANKLIN VICE CHAIRMAN ADMITS GUILT

The New York Regional Office announced that on June 21 Howard D. Crosse, former vice chairman of both Franklin New York and Franklin National Bank (FNB), pleaded guilty to an information charging him with falsifying records of FNB in order to conceal a \$2 million loss incurred by the bank in the fiscal quarter ending March 31, 1974. Claiming in open court that he was acting at the request of his superiors, Crosse admitted to the charge that certain U.S. government securities owned by FNB were valued for accounting purposes as of March 11, 1974 when, in fact, Crosse knew that said securities should have been accounted for at a significantly lower valuation as of March 28, 1974, the date they were actually transferred from FNB's trading account to its portfolio account. As a result of such misvaluation, the net income of FNB for the first quarter of 1974 was falsely stated to be \$79,000 when, in fact, FNB had suffered a net loss of \$2,198,000. (U.S. v. Howard Dillistin Crosse, S.D.N.Y., 77 CR-0469). (LR-8042)

COMPLAINT NAMES JACK WARD FREEMAN, SR., OTHERS

The Chicago Regional Office announced that on June 29 a complaint was filed in the U.S. District Court for the Northern District of Illinois, Eastern Division, seeking preliminary and permanent injunctions to prohibit alleged violations of the registration and antifraud provisions of the securities laws by Jack Ward Freeman, Sr., Gurn H. Freeman, Sr., Thomas Randy Browne, Lawrence Palenshus, Century Consultants, Inc., Allied Business Consultants, Inc., Businessways, Inc. (an Illinois corporation), Businessways, Inc. (a Texas corporation), Businessways, Inc. (a Missouri corporation) and Businessways, Inc. (a Kansas corporation), in the offer and sale of the common stock of these corporate entities. In addition, the complaint seeks that an accounting be made by all defendants of all funds received by defendants from investors, and an order compelling each of the defendants to disgorge all proceeds received. In the offer and sale of these unregistered securities, the complaint alleges that the defendants made untrue statements of material facts and omitted to state material facts, including but not limited to: the financial condition of the issuers of the aforementioned securities, the application and use of proceeds from the sale of the securities, the profitability of operations of the issuers of the securities, the specific assets of the issuers of the securities, and the return an investor would receive on his investment. (SEC v. Jack Ward Freeman, Sr., et al., N.D. Ill., Civil Action No. 77-C-2319). (LR-8043)

COMPLAINT NAMES A-T-O INC.

The Commission announced that on July 28 it filed a complaint for injunctive and other relief in the U.S. District Court for the District of Columbia against A-T-O Inc., charging violations of the antifraud, reporting and proxy provisions of the securities laws. The Commission's complaint alleged that in the sale of its bottle-processing equipment, A-T-O made in excess of \$1.2 million in secret payments to officers, directors and agents of customers of A-T-O in Europe, Africa and the Middle East in order to procure or maintain sales contracts. It is further alleged that these payments were disbursed without proper accounting controls and were not adequately recorded on the books and records of A-T-O. (SEC v. A-T-O Inc., D.D.C., Civil Action No. 77-1324). (LR-8044)
