## COMMISSION ANNOUNCEMENTS

AUG 27 1974

### COMMISSION ANNOUNCES PLANS TO INITIATE STEPS CONCERNING THE ELIMINATION OF RULES AND PRACTICES OF NATIONAL STOCK EXCHANGES FIXING COMMISSION RATES

### LIBRARY

The Commission today announced that it plans promptly to initiate steps concerning the amendment, modification, alteration or repeal of existing rules and practices of registered national securities exchanges requiring exchange members to charge fixed rates of commission on securities transactions effective on exchanges.

The Commission made this announcement in view of questions that had been raised concerning the procedures to be followed by the Commission and the exchanges in this regard.

The Commission previously announced its policy conclusion that exchange rules and practices requiring members to charge fixed rates of commission on any securities transaction effected on an exchange should be eliminated, effective no later than May 1, 1975.

The Commission today announced that, pursuant to the Securities Exchange Act of 1934, and particularly Sections 2, 6, 10, 11, 19 and 23 thereof, it would send a letter to the president of each stock exchange during September, 1974, asking them to eliminate present requirements that their members charge fixed rates of commission, unless actions on their part should make this unnecessary.

The Commission also announced that, in the absence of voluntary action by the exchanges to take prompt steps to eliminate fixed commission rates, the Commission would afford all interested persons an opportunity to submit both written and oral data and views to facilitate a thorough consideration of this issue. In light of the extensive prior study of these questions, however, the Commission indicated its intention expeditiously to conclude any hearings which might be required. (Rel. 34-10986)

## COURT ENFORCEMENT ACTIONS

### CHARLES ERB AND FRANKLIN DEBOER INDICTED

The Division of Enforcement announced that on August 19 a federal grand jury in New York City returned an indictment against Charles D. Erb of Short Hills, N.J. and Franklin S. DeBoer of Maitland, Florida. Named as a co-conspirator in this case was George C. Van Aken. Erb and DeBoer are charged with, among other things, conspiracy, mail fraud and violations of the securities laws in the filing of registration statements and other documents with the Commission relating to a public offering of the common stock of XPrint Corporation and the dissemination of false and misleading prospectuses to prospective customers in connection with the offering. At the time of the alleged violative activities, Erb, DeBoer and Van Aken were associated with the firm of Baerwald & DeBoer. (LR-6491)
