

DROUGHT WATCH DECLARED

WHAT

Stage 1 water conservation measures

WHEN

In effect until further notice

WHERE

Fort Hood and surrounding communities

FORT HOOD STAGE 1:

- No watering of all landscaping between the hours of 1100-1800 daily. No water runoff allowed from areas being watered.
- All personnel will minimize the use of water for irrigation of landscaping and vehicle washing, and will not waste water.
- No use of potable water to wash driveways, sidewalks, or buildings for general cleaning.
- Report all water leaks to Directorate of Public Works at 287-2113.
- Exceptions may be authorized by the Director of Public Works or Garrison Commander for certain activities (spill response, contract actions, etc).
