

Summary Report of Occurrences Reviewed From September 19 – 23, 2011

Summary: 27 occurrences at 14 sites reviewed during this period.

Occurrences of Significant Interest (1)

Vehicle Accident / Fatality – 1 occurrence at 1 site

- NA – Los Alamos National Laboratory (Significance Category 3). On September 17, the Operations Manager, Duty officer on-call for Utilities and Institutional Facilities, was notified that a single vehicle accident on Los Alamos National Laboratory (LANL) property had resulted in a fatality. A LANL employee on his way to work in his privately owned vehicle had been involved in a single car roll-over accident on Pajarito Road. The employee had been pronounced dead at the Los Alamos Medical Center. The Los Alamos Police Department is investigating the incident. Site Office and DOE Headquarters were notified.

Other Occurrences (26). See Table (Note: The Table includes the occurrences listed above).
