The Inactive Duty Navy Reserve LDO Program provides opportunity for selected CWOs and senior enlisted personnel to receive appointments in grades above CW05, for performance of their duties in a broad occupational field indicated by their former warrant or enlisted rating group. LDOs are technically oriented officers performing duties which:

- a. Are limited to specific occupational fields.
- b. Require authority and responsibility greater than that normally expected of a CWO.
- c. Require strong managerial skills.
- d. Are outside the normal development pattern for unrestricted line, restricted line, and staff corps officers or for which no unrestricted line, restricted line, or staff corps officers are available.

2. Definitions. The following definitions, unless otherwise qualified, shall apply throughout:

- a. Limited Duty Officer - Officers designated for limited duty in a line technical field or designated for limited duty within a staff corps as indicated by their designator.
- b. In-Service Procurement Selection Board - A board of commissioned officers convened by Chief of Naval Personnel (CHNAVPERS) to recommend applicants for appointment as an LDO in the Navy Reserve.
- c. Years of Qualifying Service - Service as credited per reference (a), section 12732. For the purpose of these regulations, service in a component of the Navy (i.e., Navy, the Marine Corps, or the Coast Guard when it is operating as a service in the Navy) may be credited, as well as qualifying service in the Army, Air Force, or Coast Guard (when not operating as part of the Navy) in a critical skill needed by the Navy as determined by CHNAVPERS.
