MEMORANDUM OF UNDERSTANDING
BETWEEN
DEPARTMENT OF AGRICULTURE AND THE AMERICAN
FEDERATION OF GOVERNMENT EMPLOYEES

This Memorandum of Understanding is between the Department of Agriculture, hereinafter referred to as USDA, and the American Federation of Government Employees, hereinafter referred to as AFGE.

I. It is agreed that this Agreement is subject to and governed by CSRA.

II. The individual employee of the USDA who is a member of the AFGE and included within an exclusive unit shall obtain his/her SF-1187, REQUEST AND AUTHORIZATION FOR VOLUNTARY ALLOTMENT OF COMPENSATION FOR PAYMENT OF EMPLOYEE ORGANIZATION DUES, from AFGE and shall file it with the designated AFGE representative, who will forward it to the Personnel Office of the Agency. In those cases wherein management and the union disagree regarding the eligibility of an employee for dues withholding, both parties acknowledge that such representation disputes are the sole function of the FLRA and accordingly agree that the dues of such an employee shall be placed in an escrow account pending an appropriate Authority determination. The employee shall be instructed by AFGE to complete Part A and Part B. No other number must appear in the block provided as "identification Number" except the employee's Social Security Number.

III. Deductions will be made each pay period by the USDA and remittances will be made each pay period to the National Office of the AFGE. Remittances shall be accompanied by a computer tape, one for each pay period, by Locals, showing the names of the member employees from whose pay dues were withheld, the amount withheld, the code number of the Local to which each employee member belongs, social security number, and will be summarized to show the number of members for whom dues were withheld, total amount withheld, and the amount due the Local. Each tape will also include the name of each employee member for that Local who previously made an allotment for whom no deduction was made whether due to leave without pay or other cause. Such employee shall be designated with an appropriate explanatory term.

IV. It is agreed that Part A of SF-1187, including the insertion of code numbers of the AFGE (52) and the appropriate Local number, will be executed by the Financial Officer of the Local to which the employee member belongs or by the National Secretary-Treasurer of the AFGE, if the member is a member-at-large. The amount so certified shall be the amount of the regular dues (exclusive of initiation fees, assessments, back dues, fines and similar charges and fees). One standard amount for all employees or different amounts of dues for different employees may be specified. If there should be any change in the dues structure or amount, a blanket authorization listing each employee's name and social security number, and the amount of dues to be withheld will be submitted to the appropriate payroll office. The listing will be identified by labor organization and Local codes. Only one such change may normally be made in any period of twelve consecutive months for a given Local.

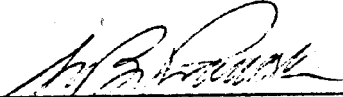

V. The payroll office of the USDA will terminate an allotment per a request received in accordance with any one of the following:

- (1) as of the beginning of the first full pay period following receipt of notice that exclusive recognition has been withdrawn;

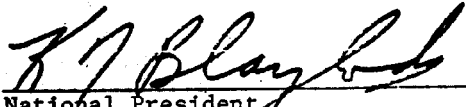

- (2) at the end of the pay period during which an employee member is separated from the USDA;
- (3) at the end of the pay period during which the payroll office receives notice from the AFGE or a Local of the AFGE that the employee member has ceased to be a member in good standing;
- (4) pursuant to a timely request in accordance with the following time provision effective ~~March 1, 1979~~ ^{Sept 1, 1978} ~~September 1, 1979~~ ^{Sept 1} received prior to ~~January 11, 1979~~;
- (5) effective ~~January 11, 1980~~ ^{Sept 1, 1979} and each ~~January 11~~ ^{Sept 1} thereafter for all allotments in effect as of January 11, 1979. *KAB*
a.m.s.
- (6) on the annual anniversary date of each allotment completed after January 11, 1979

VI. The USDA payroll office will send to the National Financial Officer of the AFGE a copy of each written revocation of an authorization which it receives. Revocation must be submitted to the appropriate Local in writing over the signature of the member on the Standard Form 1188 and must be submitted to the appropriate Personnel Office not earlier than the first day of the month prior to the annual date upon which revocation may be effected in accordance with the above.

Agreed to and signed in Washington, D.C., on this the 15th day of January 1979.

U.S. Department of Agriculture

Employees

MEMORANDUM OF UNDERSTANDING
BETWEEN
DEPARTMENT OF AGRICULTURE AND THE NATIONAL FEDERATION
OF FEDERAL EMPLOYEES

This Memorandum of Understanding is between the Department of Agriculture, hereinafter referred to as USDA, and the National Federation of Federal Employees, hereinafter referred to as NFFE.

I. It is agreed that this Agreement is subject to and governed by the rules and regulations issued by the Office of Personnel Management (5 CFR 550.301 - 550.309) and USDA and will be modified as necessary by any future amendments to said rules and regulations.

II. Because NFFE has substantial membership and a substantial number of Exclusive Recognitions within USDA, the USDA will permit any employee of the USDA who is a member of the NFFE and included within a bargaining unit for which NFFE has Exclusive Recognition to make a voluntary allotment for the payment of dues to the NFFE. Such deductions shall begin after certification by the ~~Department of Labor~~ ^{Federal Labor Relations Authority}, if necessary, and upon appropriate request by the Local or National Office of the NFFE. The parties agree that normally all negotiations should be concluded, and a collective bargaining agreement entered into within one year of the date of certification by the ~~Department of Labor~~ ^{Federal Labor Relations Authority}. In order to achieve this goal, the parties agree to encourage and use all good faith efforts to ensure that negotiations occur on a timely basis and that good faith efforts will be made to resolve any dispute or impasse that may occur during the course of the negotiations. This memorandum shall be made a part of every Local agreement and shall be the only authorized method of obtaining dues withholding.

III. The individual employee of the USDA who is a member of the NFFE and included within an exclusive unit shall obtain his/her SF-1187 REQUEST AND AUTHORIZATION FOR VOLUNTARY ALLOTMENT OF COMPENSATION FOR PAYMENT OF EMPLOYEE ORGANIZATION DUES, from NFFE and shall file it with the designated NFFE representative, who will forward it to the Personnel Office of the Agency involved for certification of eligibility for dues withholding and for transmittal to the appropriate payroll office. The employee shall be instructed by NFFE to complete Part A and Part B. No other number must appear in the block provided as "Identification Number" except the employee's Social Security Number.

IV. Deductions will be made each pay period by the USDA and remittances will be made each pay period to the National Office of the NFFE. Remittances shall be accompanied by two sets of listings in duplicate, one for each pay period, segregated by Locals, showing the names of the member employees of the from whose pay dues were withheld, the amount withheld, the code number of the Local to which each employee member belongs, social security number, and will be summarized to show the number of members for whom dues were withheld, total amount withheld, and amount due the Local. Each list will also include the name of each employee member for that Local who previously made an allotment for whom no deduction was made whether due to leave without pay or other cause. Such employees shall be designated with an appropriate explanatory term.

IVa. In lieu of the listings provided for in Section IV of this agreement, USDA agrees to provide the National Office of the NFFE a computer tape in a format to be agreed upon at a such time as NFFE has the facilities to process tapes, and USDA is given two months notice.

V. It is agreed that Part A of SF-1187, including the insertion of code numbers of the NFFE and the appropriate Local number, will be executed by the Financial Officer of the Local to which the employee member belongs or by the National Secretary-Treasurer of the NFFE, if the member is a member-at-large. The amount so certified shall be the amount of the regular dues (exclusive of initiation fees, assessments, back dues, fines, and similar charges and fees.) One standard amount for all employees or different amounts of dues for different employees may be specified. If there should be any change in the dues structure or amount, a blanket authorization listing each employee's name and social security number, the amount of dues to be withheld will be submitted to the appropriate payroll office. The listing will be identified by labor organization and Local codes. Only one such change may be made in any period of twelve consecutive months for a given Local.

VI. The payroll office of the USDA will terminate an allotment

- (1) as of the beginning of the first full pay period following receipt of notice that exclusive recognition has been withdrawn;
- (2) at the end of the pay period during which an employee member is separated from the USDA;
- (3) at the end of the pay period during which the payroll office receives notice from the NFFE or a Local of the NFFE that the employee member has ceased to be a member in good standing;
- (4) annually during the first full pay period after September 1, 1979 after the receipt of the employee member's written revocation of his allotment.

VII. The Financial Officer of the NFFE Local to which the employee belongs will notify the USDA payroll office within five working days after the employee ceases to be a member in good standing of the NFFE.

VIII. Any written revocation of an allotment authorization received by the Local to which the employee belongs will be sent within three days after it is received to the appropriate USDA payroll office.

IX. The USDA payroll office will send the National Financial Officer of the NFFE a copy of each written revocation of an authorization which it receives.
