

Security and Policy Review

The 380 AEW/PA staff ensures Americans receive maximum information without delay and that publicly released information does not adversely affect national security. The PA staff reviews information released to the public to ensure it does not threaten the safety, security or privacy of Air Force personnel and that the information released is consistent with established DOD and Air Force policies.

PUBLIC AFFAIRS CONCEPT OF OPERATIONS

The 380 AEW/PA staff produces print, photo and video products highlighting the mission of the wing and its mission partners and aligned with the priorities of the Secretary of the Air Force, the Commander of U.S. Air Forces Central Command and the wing commander.

380 AEW/PA vision: *Provide trusted counsel to wing leadership and accurate and timely information to internal and external audiences that improves morale and fosters greater understanding and support of the 380th AEW*

Multimedia Products and Services

DSN: 434-2056

Products and Services

Public Website

The 380 AEW/PA staff maintains the official public website for the 380 AEW. The site is a continuously updated site featuring wing news, fact sheets, biographies, images and artwork. It is the source for official news and information about the wing.

Screenshot of the wing public website, www.380aew.afcent.af.mil

The ADAB Phantom Flyer highlights internal wing information.

Phantom Flyer

The PA staff maintains this internal information product designed to deliver timely command information to the base populace and to highlight deployed personnel.

Commander's Access Channel

The CAC displays information for the internal base community. PA staff members provide editorial oversight of the channel's content based on the wing commander's guidance. They also update and maintain the displayed presentation. The 380th Expeditionary Communications Squadron maintains the equipment.

Photography

The 380 AEW/PA staff provides professional still photography support for base-level photographic requirements.

Studio Photography

Studio appointments are for official passports, visas and official portraits only. They are done during weekly walk-in hours or by appointments only.

Alert Photography

Our photographer can support security forces, Air Force Office of Special Investigations, civil engineer readiness, flying or ground safety offices and other emergency response agencies with alert photographic services 24/7.

Videography

The 380 AEW/PA broadcaster supports base-level requirements. All video services require time for preparation, creation and coordination. Please provide a minimum of three weeks' notice for any video project requests.

Prints

Limited photo prints are available for official use only. Customers are limited to 10 8-inch by 10-inch prints and/or two poster-size prints. Note: The maximum poster size is 18 inches by 24

inches. Photographic prints are not available for personal use. Digital files may be made available to customers for printing at their own expense if permitted by Air Force Instruction and local regulations.

Self Help

Self-help equipment is available for official use.

Self-help photo/video

The 380 AEW/PA office officers still photographic equipment for self-help use as well as consumer-grade video cameras and other equipment for checkout.

Self-help graphics

The PA office provides a self-help graphics station for official use. See the printing restrictions in this brochure.
