

Public Notice Submission

Provider Name: Community Telephone Company, Inc.

Summary: The company is providing this information in response to the BTOP proposals that could affect some or all of the census tracts where the company provides broadband service. The company recognizes the Medicine Park BTOP application as submitted in Round 2 which would potentially impact the company's service area and, in this instance, the company intends to partner with MP in their plans to upgrade services. Community Telephone Company, Inc. has eight Community Anchor Institutions in its service area comprised of two public schools with libraries, four volunteer fire departments, the U. S. Department of Agriculture and the Texas Department of Public Housing. All eight of the Community Anchor Institutions have access to broadband.
